For each bill or joint resolution of a public character reported by any committee of authorization of the Senate or the House of Representatives, the Director of the Congressional Budget Office shall prepare and submit to the committee a statement as follows:

##### (1) Contents

If the Director estimates that the direct cost of all Federal intergovernmental mandates in the bill or joint resolution will equal or exceed \$50,000,000 (adjusted annually for inflation) in the fiscal year in which any Federal intergovernmental mandate in the bill or joint resolution (or in any necessary implementing regulation) would first be effective or in any of the 4 fiscal years following such fiscal year, the Director shall so state, specify the estimate, and briefly explain the basis of the estimate.

##### (2) Estimates

Estimates required under paragraph (1) shall include estimates (and brief explanations of the basis of the estimates) of—

#### (4) Estimate not feasible

If the Director determines that it is not feasible to make a reasonable estimate that would be required under paragraphs (1) and (2), the Director shall not make the estimate, but shall report in the statement that the reasonable estimate cannot be made and shall include the reasons for that determination in the statement. If such determination is made by the Director, a point of order under this part shall lie only under section 658d(a)(1) of this title and as if the requirement of section 658d(a)(1) of this title had not been met.
