

[Nov. 16, 1973], and at the end of each ninety-day period thereafter, a written report informing the Congress of the progress that has been made in implementing the provisions of this section.”

UNITED STATES CITIZENS COMMISSION ON NATO

Pub. L. 86-719, Sept. 7, 1960, 74 Stat. 818, as amended by Pub. L. 87-116, July 31, 1961, 75 Stat. 242, provided for a United States Citizens Commission on NATO to terminate on June 30, 1962, including the appointment of the Commission, vacancies, chairman and vice chairman, statement of purpose, conferences in NATO countries, representative status, authority of Commission, compensation and expenses, appropriations, and reports to Congress.

EX. ORD. NO. 11633. SECURITY CLEARANCE PROGRAM FOR UNITED STATES CITIZENS EMPLOYED DIRECTLY BY NATO, SEATO, AND CENTO

Ex. Ord. No. 11633. Dec. 3, 1971, 36 F.R. 23197, provided: The United States now participates in the activities of the North Atlantic Treaty Organization (NATO), the South-East Asia Treaty Organization (SEATO), and the Central Treaty Organization (CENTO). The Security regulations of these three treaty organizations provide that each participating nation shall be responsible for the security screening and security clearance of its own citizens before they are authorized access to the Organization's TOP SECRET, SECRET, or CONFIDENTIAL information. There is no existing program, however, under which United States civilians who are hired directly by these organizations can be screened and cleared for access to such Organization's TOP SECRET, SECRET, or CONFIDENTIAL information while so employed. It is, of course, in the interest of the United States that United States citizens who participate in the activities of NATO, SEATO, and CENTO as direct hire employees of the civil or military agencies of those organizations be reliable, trustworthy, of good conduct and character, and of complete and unswerving loyalty to the United States. At the same time, it is a fundamental principle of our Government to protect against unreasonable or unwarranted encroachment on the freedom and privacy of individuals.

I have determined that the provisions and procedures prescribed by this Order are necessary to assure the preservation of the integrity of the classified information of NATO, SEATO, and CENTO, and to protect the national interest. I have also determined that these provisions and procedures recognize the rights of individuals affected thereby and provide maximum possible safeguards to protect such rights.

NOW, THEREFORE, by virtue of the authority vested in me by the Constitution and statutes of the United States, and as Commander-in-Chief of the Armed Forces of the United States, it is ordered as follows:

SECTION 1. The Secretary of Defense shall establish a program and, by regulation, shall prescribe such specific requirements, restrictions, and other safeguards as he considers necessary for the administration of procedures whereby “Certificates of Security Clearance” for the United States citizens directly employed by civil or military agencies of NATO, SEATO, or CENTO may be provided to these international organizations when they so request. Such program shall also provide for the denial, revocation, or suspension of such “Certificates.”

SEC. 2. Subject to the provisions of applicable international agreements, the procedures established by the Secretary of Defense shall, insofar as is practical, be similar to those established by him pursuant to the authority vested in him by Executive Order No. 10865 of February 20, 1960, as amended [set out as a note under section 435 of Title 50, War and National Defense].

SEC. 3. The substance of the criteria, safeguards, and procedures provided in Sections 2, 3, 4, 5, 6, 7, and 9 of Executive Order No. 10865, as amended [set out as a note under section 435 of Title 50, War and National Defense], shall be incorporated in the regulations of the

Secretary of Defense governing the program established hereunder.

SEC. 4. Any authority vested in the Secretary of Defense by this Order may be delegated to the Deputy Secretary of Defense or an Assistant Secretary of Defense.

RICHARD NIXON.

Determination of President of the United States, No. 91-37, May 29, 1991, 56 F.R. 25611, provided:

Memorandum for the Secretary of Defense

Consistent with section 406(b) of the National Defense Authorization Act for Fiscal Year 1991 (Public Law 101-510; 104 Stat. 1546) [amending section 1002 of Pub. You are authorized and directed to notify the Congress of this determination and of the necessity therefor contained in the attached justification [not set out in the Code], and to publish this determination in the Federal Register.

GEORGE BUSH.
