

Representatives of his determination and certification at least 15 days before the waiver takes effect, in accordance with the procedures applicable to reprogramming notifications under section 634A of the Foreign Assistance Act of 1961 [22 U.S.C. 2394–1], or

(ii) in the case of any sanction specified in subsection (b)(2)(D) of this section (relating to import restrictions), the President determines and certifies to the Congress that such waiver is essential to the national security interest of the United States, and if the President notifies the Committee on Finance of the Senate and the Committee on Ways and Means of the House of Representatives of his determination and certification at least 15 days before the waiver takes effect; or

(B) if the President determines and certifies to the Congress that there has been a fundamental change in the leadership and policies of the government of that country, and if the President notifies the Congress at least 20 days before the waiver takes effect.

(2) Report

In the event that the President decides to exercise the waiver authority provided in paragraph (1) with respect to a country, the President's notification to the Congress under such paragraph shall include a report fully articulating the rationale and circumstances which led the President to exercise that waiver authority, including a description of the steps which the government of that country has taken to satisfy the conditions set forth in paragraphs (1) through (4) of subsection (c) of this section.

(e) Contract sanctity

(1) Sanctions not applied to existing contracts

(A) A sanction described in paragraph (4) or (5) of subsection (a) of this section or in any of subparagraphs (A) through (D) of subsection (b)(2) of this section shall not apply to any activity pursuant to any contract or international agreement entered into before the date of the presidential determination under section 5604(a)(1) of this title unless the President determines, on a case-by-case basis, that to apply such sanction to that activity would prevent the performance of a contract or agreement that would have the effect of assisting a country in using chemical or biological weapons in violation of international law or in using lethal chemical or biological weapons against its own nationals.

(B) The same restrictions of subsection (p) of section 2405 of title 50, Appendix, as that subsection is so redesignated by section 304(b) of this title, which are applicable to exports prohibited under section 2405 of title 50, Appendix, shall apply to exports prohibited under subsection (a)(5) or (b)(2)(C) of this section. For purposes of this subparagraph, any contract or agreement the performance of which (as determined by the President) would have the effect of assisting a foreign government in using chemical or biological weapons in violation of international law or in using lethal chemical

or biological weapons against its own nationals shall be treated as constituting a breach of the peace that poses a serious and direct threat to the strategic interest of the United States, within the meaning of subparagraph (A) of section 2405(p) of title 50, Appendix.

(2) Sanctions applied to existing contracts

The sanctions described in paragraphs (1), (2), and (3) of subsection (a) of this section shall apply to contracts, agreements, and licenses without regard to the date the contract or agreement was entered into or the license was issued (as the case may be), except that such sanctions shall not apply to any contract or agreement entered into or license issued before the date of the presidential determination under section 5604(a)(1) of this title if the President determines that the application of such sanction would be detrimental to the national security interests of the United States.
