SUBCHAPTER I—GENERAL PROVISIONS

§ 8111. Authority

(a) In general

The President is authorized to implement and carry out the provisions of this chapter and the Additional Protocol and shall designate through Executive order which executive agency or agencies of the United States, which may include but are not limited to the Department of State, the Department of Defense, the Department of Justice, the Department of Commerce, the Department of Energy, and the Nuclear Regulatory Commission, shall issue or amend and enforce regulations in order to implement this chapter and the provisions of the Additional Protocol.

(b) Included authority

For any executive agency designated under subsection (a) that does not currently possess the authority to conduct site vulnerability assessments and related activities, the authority provided in subsection (a) includes such authority.

(c) Exception

The authority described in subsection (b) does not supersede or otherwise modify any existing authority of any Federal department or agency already having such authority.

(Pub. L. 109–401, title II, §211, Dec. 18, 2006, 120 Stat. 2743.)

SUBCHAPTER II—COMPLEMENTARY ACCESS

§ 8121. Requirement for authority to conduct complementary access

(a) Prohibition

No complementary access to any location in the United States shall take place pursuant to the Additional Protocol without the authorization of the United States Government in accordance with the requirements of this chapter.

(b) Authority

(1) In general

Complementary access to any location in the United States subject to access under the Additional Protocol is authorized in accordance with this chapter.

(2) United States representatives

(A) Restrictions

In the event of complementary access to a privately owned or operated location, no employee of the Environmental Protection Agency or of the Mine Safety and Health Administration or the Occupational Safety and Health Administration of the Department of Labor may participate in the access.

(B) Number

The number of designated United States representatives accompanying IAEA inspectors shall be kept to the minimum necessary.

(Pub. L. 109–401, title II, §221, Dec. 18, 2006, 120 Stat. 2744.)

§ 8122. Procedures for complementary access

(a) In general

Each instance of complementary access to a location in the United States under the Additional Protocol shall be conducted in accordance with this subchapter.

(b) Notice

(1) In general

Complementary access referred to in subsection (a) may occur only upon the issuance of an actual written notice by the United States Government to the owner, operator, occupant, or agent in charge of the location to be subject to complementary access.

(2) Time of notification

The notice under paragraph (1) shall be submitted to such owner, operator, occupant, or agent as soon as possible after the United States Government has received notification that the IAEA seeks complementary access. Notices may be posted prominently at the location if the United States Government is unable to provide actual written notice to such owner, operator, occupant, or agent.

(3) Content of notice

(A)¹ In general

The notice required by paragraph (1) shall specify—

¹ So in original. No subpar. (B) has been enacted.
