

(d) Conditions of grant

Applicants under this section shall agree to provide a program which, at a minimum—

(1) provides outreach and recruitment for health professions to Indian communities including elementary, secondary, and accredited and accessible community colleges that will be served by the program;

(2) incorporates a program advisory board comprised of representatives from the tribes and communities that will be served by the program;

(3) provides summer enrichment programs to expose Indian students to the various fields of psychology through research, clinical, and experimental activities;

(4) provides stipends to undergraduate and graduate students to pursue a career in psychology;

(5) develops affiliation agreements with tribal colleges and universities, the Service, university affiliated programs, and other appropriate accredited and accessible entities to enhance the education of Indian students;

(6) to the maximum extent feasible, uses existing university tutoring, counseling, and student support services; and

(7) to the maximum extent feasible, employs qualified Indians in the program.

(e) Active duty service requirement

The active duty service obligation prescribed under section 254m of title 42 shall be met by each graduate who receives a stipend described in subsection (d)(4) that is funded under this section. Such obligation shall be met by service—

(1) in an Indian health program;

(2) in a program assisted under subchapter IV; or

(3) in the private practice of psychology if, as determined by the Secretary, in accordance with guidelines promulgated by the Secretary, such practice is situated in a physician or other health professional shortage area and addresses the health care needs of a substantial number of Indians.

(f) Authorization of appropriations

There is authorized to be appropriated to carry out this section \$2,700,000 for fiscal year 2010 and each fiscal year thereafter.

CODIFICATION

Amendment by Pub. L. 111-148 is based on section 133 of title I of S. 1790, One Hundred Eleventh Congress, as

reported by the Committee on Indian Affairs of the Senate in Dec. 2009, which was enacted into law by section 10221(a) of Pub. L. 111-148.

AMENDMENTS

2010—Pub. L. 111-148 amended section generally. Prior to amendment, section related to grants to Indian tribes and tribal organizations for prevention, control, and elimination of tuberculosis.

1994—Subsec. (d)(4). Pub. L. 103-437 substituted “Committee on Indian” for “Select Committee on Indian” and “Natural Resources” for “Interior and Insular Affairs”.

§ 1621r. Contract health services payment study

(a) Duty of Secretary

The Secretary, acting through the Service and in consultation with representatives of Indian tribes and tribal organizations operating contract health care programs under the Indian Self-Determination Act (25 U.S.C. 450f et seq.) or under self-governance compacts, Service personnel, private contract health services providers, the Indian Health Service Fiscal Intermediary, and other appropriate experts, shall conduct a study—

(1) to assess and identify administrative barriers that hinder the timely payment for services delivered by private contract health services providers to individual Indians by the Service and the Indian Health Service Fiscal Intermediary;

(2) to assess and identify the impact of such delayed payments upon the personal credit histories of individual Indians who have been treated by such providers; and

(3) to determine the most efficient and effective means of improving the Service’s contract health services payment system and ensuring the development of appropriate consumer protection policies to protect individual Indians who receive authorized services from private contract health services providers from billing and collection practices, including the development of materials and programs explaining patients’ rights and responsibilities.

(b) Functions of study

The study required by subsection (a) of this section shall—

(1) assess the impact of the existing contract health services regulations and policies upon the ability of the Service and the Indian Health Service Fiscal Intermediary to process, on a timely and efficient basis, the payment of bills submitted by private contract health services providers;

(2) assess the financial and any other burdens imposed upon individual Indians and private contract health services providers by delayed payments;

(3) survey the policies and practices of collection agencies used by contract health services providers to collect payments for services rendered to individual Indians;

(4) identify appropriate changes in Federal policies, administrative procedures, and regulations, to eliminate the problems experienced by private contract health services providers and individual Indians as a result of delayed payments; and

(5) compare the Service’s payment processing requirements with private insurance

claims processing requirements to evaluate the systemic differences or similarities employed by the Service and private insurers.

(c) Report to Congress

Not later than 12 months after October 29, 1992, the Secretary shall transmit to the Congress a report that includes—

(1) a detailed description of the study conducted pursuant to this section; and

(2) a discussion of the findings and conclusions of such study.

(Pub. L. 94-437, title II, §219, as added Pub. L. 102-573, title II, §215, Oct. 29, 1992, 106 Stat. 4557.)
