SUBCHAPTER II—INDIAN CHILD AND FAMILY PROGRAMS

§ 1931. Grants for on or near reservation programs and child welfare codes

(a) Statement of purpose; scope of programs

The Secretary is authorized to make grants to Indian tribes and organizations in the establishment and operation of Indian child and family service programs on or near reservations and in the preparation and implementation of child welfare codes. The objective of every Indian child and family service program shall be to prevent the breakup of Indian families and, in particular, to insure that the permanent removal of an Indian child from the custody of his parent or Indian custodian shall be a last resort. Such child and family service programs may include, but are not limited to—

- (1) a system for licensing or otherwise regulating Indian foster and adoptive homes;
- (2) the operation and maintenance of facilities for the counseling and treatment of Indian families and for the temporary custody of Indian children;
- (3) family assistance, including homemaker and home counselors, day care, afterschool care, and employment, recreational activities, and respite care;
- (4) home improvement programs;
- (5) the employment of professional and other trained personnel to assist the tribal court in the disposition of domestic relations and child welfare matters;
- (6) education and training of Indians, including tribal court judges and staff, in skills relating to child and family assistance and service programs;
- (7) a subsidy program under which Indian adoptive children may be provided support comparable to that for which they would be eligible as foster children, taking into account the appropriate State standards of support for maintenance and medical needs; and
- (8) guidance, legal representation, and advice to Indian families involved in tribal, State, or Federal child custody proceedings.

(b) Non-Federal matching funds for related Social Security or other Federal financial assistance programs; assistance for such programs unaffected; State licensing or approval for qualification for assistance under federally assisted program

Funds appropriated for use by the Secretary in accordance with this section may be utilized as

non-Federal matching share in connection with funds provided under titles IV-B and XX of the Social Security Act [42 U.S.C. 620 et seq., 1397 et seq.] or under any other Federal financial assistance programs which contribute to the purpose for which such funds are authorized to be appropriated for use under this chapter. The provision or possibility of assistance under this chapter shall not be a basis for the denial or reduction of any assistance otherwise authorized under titles IV-B and XX of the Social Security Act or any other federally assisted program. For purposes of qualifying for assistance under a federally assisted program, licensing or approval of foster or adoptive homes or institutions by an Indian tribe shall be deemed equivalent to licensing or approval by a State.
