§ 4113. Review of plans

(a) Review and notice

(1) Review

The Secretary shall conduct a limited review of each Indian housing plan submitted to the Secretary to ensure that the plan complies with the requirements of section 4112 of this title. The Secretary shall have the discretion to review a plan only to the extent that the Secretary considers review is necessary.

(2) Notice

The Secretary shall notify each Indian tribe for which a plan is submitted and any tribally designated housing entity for the tribe whether the plan complies with such requirements not later than 60 days after receiving the plan. If the Secretary does not notify the Indian tribe, as required under this subsection and subsection (b) of this section, the plan shall be considered, for purposes of this chapter, to have been determined to comply with the requirements under section 4112 of this title and the tribe shall be considered to have been notified of compliance upon the expiration of such 60-day period.

(b) Notice of reasons for determination of non-compliance

If the Secretary determines that a plan, as submitted, does not comply with the requirements under section 4112 of this title, the Secretary shall specify in the notice under subsection (a) of this section the reasons for the noncompliance and any modifications necessary for the plan to meet the requirements under section 4112 of this title.

(c) Review

After submission of the Indian housing plan or any amendment or modification to the plan to the Secretary, to the extent that the Secretary considers such action to be necessary to make determinations under this subsection, the Secretary shall review the plan (including any amendments or modifications thereto) to determine whether the contents of the plan—

- (1) set forth the information required by section 4112 of this title to be contained in an Indian housing plan;
- (2) are consistent with information and data available to the Secretary; and
- (3) are not prohibited by or inconsistent with any provision of this chapter or other applicable law.

If the Secretary determines that any of the appropriate certifications required under section

4112(c)(5)¹ of this title are not included in the plan, the plan shall be deemed to be incomplete.

(d) Updates to plan

After a plan under section 4112 of this title has been submitted for an Indian tribe for any tribal program year, the tribe may comply with the provisions of such section for any succeeding tribal program year by submitting only such information regarding such changes as may be necessary to update the plan previously submitted.

(e) Self-determined activities program

Notwithstanding any other provision of this section, the Secretary—

(1) shall review the information included in an Indian housing plan pursuant to subsections (b)(4)² and (c)(7)³ only to determine whether the information is included for purposes of compliance with the requirement under section 4145a(b)(2)⁴ of this title; and

(2) may not approve or disapprove an Indian housing plan based on the content of the particular benefits, activities, or results included pursuant to subsections (b)(4)² and (c)(7).³

§ 4115. Environmental review**(a) In general****(1) Release of funds**

In order to ensure that the policies of the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.] and other provisions of law that further the purposes of such Act (as specified in regulations issued by the Secretary) are most effectively implemented in connection with the expenditure of grant amounts provided under this chapter, and to ensure to the public undiminished protection of the environment, the Secretary, in lieu of the environmental protection procedures otherwise applicable, may by regulation provide for the release of amounts for particular projects to tribes which assume all of the responsibilities for environmental review, decisionmaking, and action pursuant to such Act, and such other provisions of law as the regulations of the Secretary specify, that would apply to the Secretary were the Secretary to undertake such projects as Federal projects.

(2) Regulations**(A) In general**

The Secretary shall issue regulations to carry out this section only after consultation with the Council on Environmental Quality.

(B) Contents

The regulations issued under this paragraph shall—

- (i) provide for the monitoring of the environmental reviews performed under this section;
- (ii) in the discretion of the Secretary, facilitate training for the performance of such reviews; and
- (iii) provide for the suspension or termination of the assumption of responsibilities under this section.

(3) Effect on assumed responsibility

The duty of the Secretary under paragraph (2)(B) shall not be construed to limit or reduce any responsibility assumed by a recipient of grant amounts with respect to any particular release of funds.

(b) Procedure

The Secretary shall approve the release of funds subject to the procedures authorized by this section only if, not less than 15 days prior to such approval and prior to any commitment of funds to such projects, the tribe has submitted to the Secretary a request for such release accompanied by a certification that meets the requirements of subsection (c) of this section. The approval of the Secretary of any such certification shall be deemed to satisfy the responsibilities of the Secretary under the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.] and such other provisions of law as the regulations of the Secretary specify insofar as those responsibilities relate to the releases of funds for projects to be carried out pursuant thereto that are covered by such certification.

(c) Certification

A certification under the procedures authorized by this section shall—

- (1) be in a form acceptable to the Secretary;
- (2) be executed by the chief executive officer or other officer of the tribe under this chapter qualified under regulations of the Secretary;
- (3) specify that the tribe has fully carried out its responsibilities as described under subsection (a) of this section; and
- (4) specify that the certifying officer—

(A) consents to assume the status of a responsible Federal official under the National Environmental Policy Act of 1969 [42 U.S.C. 4321 et seq.] and each provision of law specified in regulations issued by the Secretary insofar as the provisions of such Act or such other provisions of law apply pursuant to subsection (a) of this section; and

(B) is authorized and consents on behalf of the tribe and such officer to accept the jurisdiction of the Federal courts for the purpose of enforcement of the responsibilities of the certifying officer as such an official.

(d) Environmental compliance

The Secretary may waive the requirements under this section if the Secretary determines that a failure on the part of a recipient to comply with provisions of this section—

- (2) does not threaten the health or safety of the community involved by posing an immediate or long-term hazard to residents of that community;
- (3) is a result of inadvertent error, including an incorrect or incomplete certification provided under subsection (c)(1) of this section; and
- (4) may be corrected through the sole action of the recipient.
