#### § 1501. Privilege to file consolidated returns

An affiliated group of corporations shall, subject to the provisions of this chapter, have the privilege of making a consolidated return with respect to the income tax imposed by chapter 1 for the taxable year in lieu of separate returns. The making of a consolidated return shall be upon the condition that all corporations which at any time during the taxable year have been members of the affiliated group consent to all the consolidated return regulations prescribed under section 1502 prior to the last day prescribed by law for the filing of such return. The making of a consolidated return shall be considered as such consent. In the case of a corporation which is a member of the affiliated group for a fractional part of the year, the consolidated return shall include the income of such corporation for such part of the year as it is a member of the affiliated group.

(Aug. 16, 1954, ch. 736, 68A Stat. 367.)

#### § 1502. Regulations

The Secretary shall prescribe such regulations as he may deem necessary in order that the tax liability of any affiliated group of corporations making a consolidated return and of each corporation in the group, both during and after the period of affiliation, may be returned, determined, computed, assessed, collected, and adjusted, in such manner as clearly to reflect the income-tax liability and the various factors necessary for the determination of such liability, and in order to prevent avoidance of such tax liability. In carrying out the preceding sentence, the Secretary may prescribe rules that are different from the provisions of chapter 1 that would apply if such corporations filed separate returns.

#### DUAL RESIDENT COMPANIES

Pub. L. 100-647, title VI, §6126, Nov. 10, 1988, 102 Stat. 3713, provided that:

“(a) GENERAL RULE.—In the case of a transaction which—

“(1) involves the transfer after the date of the enactment of this Act [Nov. 10, 1988] by a domestic corporation, with respect to which there is a qualified excess loss account, of its assets and liabilities to a foreign corporation in exchange for all of the stock of such foreign corporation, followed by the complete liquidation of the domestic corporation into the common parent, and

“(b) TREATMENT OF INCOME OF NEW FOREIGN CORPORATION.—

“(1) IN GENERAL.—In any case to which subsection (a) applies, for purposes of the 1986 Code—

“(A) the source and character of any item of income of the foreign corporation referred to in subsection (a) shall be determined as if such foreign corporation were a domestic corporation,

“(B) the net amount of any such income shall be treated as subpart F income (without regard to section 952(c) of the 1986 Code), and

“(C) the amount in the qualified excess loss account referred to in subsection (a) shall—

“(3) BASIS ADJUSTMENTS NOT APPLICABLE.—To the extent paragraph (1) applies to any item of income, there shall be no increase in basis under section 961(a) of such Code on account of such income (and there shall be no reduction in basis under section 961(b) of such Code on account of an exclusion attributable to the inclusion of such income).

“(4) RECOGNITION OF GAIN.—For purposes of paragraph (1), if the foreign corporation referred to in subsection (a) transfers any property acquired by such foreign corporation in the transaction referred to in subsection (a) (or transfers any other property the basis of which is determined in whole or in part by reference to the basis of property so acquired) and (but for this paragraph) there is not full recognition of gain on such transfer, the excess (if any) of—

“(A) the fair market value of the property transferred, over

“(B) its adjusted basis,

The amount of such account shall be determined as of immediately after the transaction referred to in subsection (a) and without, except as provided in subsection (b), diminution for any future adjustment.

“(3) NET AMOUNT.—The net amount of any item of income is the amount of such income reduced by allocable deductions as determined under the rules of section 954(b)(5) of the 1986 Code.

“(4) SECOND SAME COUNTRY CORPORATION MAY BE TREATED AS DOMESTIC CORPORATION IN CERTAIN CASES.—If—

“(A) another foreign corporation acquires from the common parent stock of the foreign corporation referred to in subsection (a) after the transaction referred to in subsection (a),

“(B) both of such foreign corporations are subject to the income tax of the same foreign country on a residence basis, and

“(C) such common parent complies with such reporting requirements as the Secretary of the Treasury or his delegate may prescribe for purposes of this paragraph,

such other foreign corporation shall be treated as a domestic corporation in determining whether the foreign corporation referred to in subsection (a) is a member of the affiliated group referred to in subsection (a) (and the rules of subsection (b) shall apply (i) to any gain of such other foreign corporation on any disposition of such stock, and (ii) to any other income of such other foreign corporation except to the extent it establishes to the satisfaction of the Secretary of the Treasury or his delegate that such income is not attributable to property acquired from the foreign corporation referred to in subsection (a)).”
