§ 6167. Extension of time for payment of tax attributable to recovery of foreign expropriation losses

(a) Extension allowed by election

If—

(1) a corporation has a recovery of a foreign expropriation loss to which section 1351 applies, and

(2) the portion of the recovery received in money is less than 25 percent of the amount of such recovery (as defined in section 1351(c)) and is not greater than the tax attributable to such recovery,

the tax attributable to such recovery shall, at the election of the taxpayer, be payable in 10 equal installments on the 15th day of the third month of each of the taxable years following the taxable year of the recovery. Such election shall be made at such time and in such manner as the Secretary may prescribe by regulations. If an

election is made under this subsection, the provisions of this subtitle shall apply as though the Secretary were extending the time for payment of such tax.

(b) Extension permitted by Secretary

If a corporation has a recovery of a foreign expropriation loss to which section 1351 applies and if an election is not made under subsection (a), the Secretary may, upon finding that the payment of the tax attributable to such recovery at the time otherwise provided in this subtitle would result in undue hardship, extend the time for payment of such tax for a reasonable period or periods not in excess of 9 years from the date on which such tax is otherwise payable.

(c) Acceleration of payments

If—

(1) an election is made under subsection (a),
 (2) during any taxable year before the tax attributable to such recovery is paid in full—

(A) any property (other than money) received on such recovery is sold or exchanged, or

(B) any property (other than money) received on any sale or exchange described in subparagraph (A) is sold or exchanged, and

(3) the amount of money received on such sale or exchange (reduced by the amount of the tax imposed under chapter 1 with respect to such sale or exchange), when added to the amount of money—

(A) received on such recovery, and

(B) received on previous sales or exchanges described in subparagraphs (A) and (B) of paragraph (2) (as so reduced),

exceeds the amount of money which may be received under subsection (a)(2),

an amount of the tax attributable to such recovery equal to such excess shall be payable on the 15th day of the third month of the taxable year following the taxable year in which such sale or exchange occurs. The amount of such tax so paid shall be treated, for purposes of this section, as a payment of the first unpaid installment or installments (or portion thereof) which become payable under subsection (a) following such taxable year.

(d) Proration of deficiency to installments

If an election is made under subsection (a), and a deficiency attributable to the recovery of a foreign expropriation loss has been assessed, the deficiency shall be prorated to such installments. The part of the deficiency so prorated to any installment the date for payment of which has not arrived shall be collected at the same time as, and as part of, such installment. The part of the deficiency so prorated to any installment the date for payment of which has arrived shall be paid upon notice and demand from the Secretary. This subsection shall not apply if the deficiency is due to negligence, to intentional disregard of rules and regulations, or to fraud with intent to evade tax.

(e) Time for payment of interest

If the time for payment for any amount of tax has been extended under this section, interest payable under section 6601 on any unpaid por-

tion of such amount shall be paid annually at the same time as, and as part of, each installment payment of the tax. Interest, on that part of a deficiency prorated under this section to any installment the date for payment of which has not arrived, for the period before the date fixed for the last installment preceding the assessment of the deficiency, shall be paid upon notice and demand from the Secretary.

(f) Tax attributable to recovery of foreign expropriation loss

For purposes of this section, the tax attributable to a recovery of a foreign expropriation loss is the sum of—

(1) the additional tax imposed by section 1351(d)(1) on such recovery, and

(2) the amount by which the tax imposed under subtitle A is increased by reason of the gain on such recovery which under section 1351(e) is considered as gain on the involuntary conversion of property.

(g) Failure to pay installment

If any installment under this section is not paid on or before the date fixed for its payment by this section (including any extension of time for the payment of such installment), the unpaid portion of the tax payable in installments shall be paid upon notice and demand from the Secretary.

(h) Cross-references

amounts, additions to the tax, and assessable penalties) imposed by this title, or accruing under any former internal revenue law, which have not been duly paid by stamp at the time and in the manner provided by law. Such authority shall extend to and include the following:

(1) Taxes shown on return

The Secretary shall assess all taxes determined by the taxpayer or by the Secretary as to which returns or lists are made under this title.

(2) Unpaid taxes payable by stamp

(A) Omitted stamps

Whenever any article upon which a tax is required to be paid by means of a stamp is sold or removed for sale or use by the manufacturer thereof or whenever any transaction or act upon which a tax is required to be paid by means of a stamp occurs without the use of the proper stamp, it shall be the duty of the Secretary, upon such information as he can obtain, to estimate the amount of tax which has been omitted to be paid and to make assessment therefor upon the person or persons the Secretary determines to be liable for such tax.

(B) Check or money order not duly paid

In any case in which a check or money order received under authority of section 6311 as payment for stamps is not duly paid, the unpaid amount may be immediately assessed as if it were a tax imposed by this title, due at the time of such receipt, from the person who tendered such check or money order.

If on any return or claim for refund of income taxes under subtitle A there is an overstatement of the credit for income tax withheld at the source, or of the amount paid as estimated income tax, the amount so overstated which is allowed against the tax shown on the return or which is allowed as a credit or refund may be assessed by the Secretary in the same manner as in the case of a mathematical or clerical error appearing upon the return, except that the provisions of section 6213(b)(2) (relating to abatement of mathematical or clerical error assessments) shall not apply with regard to any assessment under this paragraph.
