TREATMENT OF FLEXIBLE PREMIUM CONTRACTS ISSUED DURING 1984 WHICH MEET NEW REQUIREMENTS

Section 221(b)(3) of Pub. L. 98-369, as added by Pub. L. 99-514, title XVIII, §1825(d), Oct. 22, 1986, 100 Stat. 2848, provided that: "Any flexible premium contract issued during 1984 which meets the requirements of section 7702 of the Internal Revenue Code of 1954 [now 1986] (as added by this section) shall be treated as meeting the requirements of section 101(f) of such Code."

§ 7702A. Modified endowment contract defined

(a) General rule

For purposes of section 72, the term "modified endowment contract" means any contract meeting the requirements of section 7702—

(1) which—

(A) is entered into on or after June 21, 1988, and

(B) fails to meet the 7-pay test of subsection (b), or

(2) which is received in exchange for a contract described in paragraph (1) or this paragraph.

(b) 7-pay test

For purposes of subsection (a), a contract fails to meet the 7-pay test of this subsection if the accumulated amount paid under the contract at any time during the 1st 7 contract years exceeds the sum of the net level premiums which would have been paid on or before such time if the contract provided for paid-up future benefits after the payment of 7 level annual premiums.

(c) Computational rules

(1) In general

Except as provided in this subsection, the determination under subsection (b) of the 7 level annual premiums shall be made—

(A) as of the time the contract is issued, and

(B) by applying the rules of section 7702(b)(2) and of section 7702(e) (other than paragraph (2)(C) thereof), except that the death benefit provided for the 1st contract year shall be deemed to be provided until the maturity date without regard to any scheduled reduction after the 1st 7 contract years.

(2) Reduction in benefits during 1st 7 years

(A) In general

If there is a reduction in benefits under the contract within the 1st 7 contract years, this section shall be applied as if the contract had originally been issued at the reduced benefit level.

(B) Reductions attributable to nonpayment of premiums

Any reduction in benefits attributable to the nonpayment of premiums due under the contract shall not be taken into account under subparagraph (A) if the benefits are reinstated within 90 days after the reduction in such benefits.

(3) Treatment of material changes

(A) In general

If there is a material change in the benefits under (or in other terms of) the contract

which was not reflected in any previous determination under this section, for purposes of this section—

(i) such contract shall be treated as a new contract entered into on the day on which such material change takes effect, and

(ii) appropriate adjustments shall be made in determining whether such contract meets the 7-pay test of subsection (b) to take into account the cash surrender value under the contract.

(B) Treatment of certain benefit increases

For purposes of subparagraph (A), the term "material change" includes any increase in the death benefit under the contract or any increase in, or addition of, a qualified additional benefit under the contract. Such term shall not include—

(i) any increase which is attributable to the payment of premiums necessary to fund the lowest level of the death benefit and qualified additional benefits payable in the 1st 7 contract years (determined after taking into account death benefit increases described in subparagraph (A) or (B) of section 7702(e)(2)) or to crediting of interest or other earnings (including policyholder dividends) in respect of such premiums, and

(ii) to the extent provided in regulations, any cost-of-living increase based on an established broad-based index if such increase is funded ratably over the remaining period during which premiums are required to be paid under the contract.

(4) Special rule for contracts with death benefits of \$10,000 or less

In the case of a contract—

(A) which provides an initial death benefit of \$10,000 or less, and

(B) which requires at least 7 nondecreasing annual premium payments,

each of the 7 level annual premiums determined under subsection (b) (without regard to this paragraph) shall be increased by \$75. For purposes of this paragraph, the contract involved and all contracts previously issued to the same policyholder by the same company shall be treated as one contract.

(5) Regulatory authority for certain collection expenses

The Secretary may by regulations prescribe rules for taking into account expenses solely attributable to the collection of premiums paid more frequently than annually.

(6) Treatment of certain contracts with more than one insured

If—

(A) a contract provides a death benefit which is payable only upon the death of 1 insured following (or occurring simultaneously with) the death of another insured, and

(B) there is a reduction in such death benefit below the lowest level of such death benefit provided under the contract during the 1st 7 contract years,

this section shall be applied as if the contract had originally been issued at the reduced benefit level.

(d) Distributions affected

If a contract fails to meet the 7-pay test of subsection (b), such contract shall be treated as failing to meet such requirements only in the case of—

(1) distributions during the contract year in which the failure takes effect and during any subsequent contract year, and

(2) under regulations prescribed by the Secretary, distributions (not described in paragraph (1)) in anticipation of such failure.

For purposes of the preceding sentence, any distribution which is made within 2 years before the failure to meet the 7-pay test shall be treated as made in anticipation of such failure.

(e) Definitions

For purposes of this section—

(1) Amount paid**(A) In general**

The term “amount paid” means—

(i) the premiums paid under the contract, reduced by

(ii) amounts to which section 72(e) applies (determined without regard to paragraph (4)(A) thereof) but not including amounts includible in gross income.

(B) Treatment of certain premiums returned

If, in order to comply with the requirements of subsection (b), any portion of any premium paid during any contract year is returned by the insurance company (with interest) within 60 days after the end of such contract year, the amount so returned (excluding interest) shall be deemed to reduce the sum of the premiums paid under the contract during such contract year.

(C) Interest returned includible in gross income

Notwithstanding the provisions of section 72(e), the amount of any interest returned as provided in subparagraph (B) shall be includible in the gross income of the recipient.

(2) Contract year

The term “contract year” means the 12-month period beginning with the 1st month for which the contract is in effect, and each 12-month period beginning with the corresponding month in subsequent calendar years.

(3) Other terms

Except as otherwise provided in this section, terms used in this section shall have the same meaning as when used in section 7702.
