

made under this subsection to any such remaining State from being thereby reduced to less than that amount.

(b) Unused funds; redistribution; increase in amount

(1) Not later than 45 days prior to the end of the fiscal year, the Commissioner shall determine, after reasonable opportunity for the submission to the Commissioner of comments by the State agency administering or supervising the program established under this subchapter, that any payment of an allotment to a State under section 731(a) of this title for any fiscal year will not be utilized by such State in carrying out the purposes of this subchapter.

(2) As soon as practicable but not later than the end of the fiscal year, the Commissioner shall make such amount available for carrying out the purposes of this subchapter to one or more other States to the extent the Commissioner determines such other State will be able to use such additional amount during that fiscal year or the subsequent fiscal year for carrying out such purposes. The Commissioner shall make such amount available only if such other State will be able to make sufficient payments from non-Federal sources to pay for the non-Federal share of the cost of vocational rehabilitation services under the State plan for the fiscal year for which the amount was appropriated.

(3) For the purposes of this part, any amount made available to a State for any fiscal year pursuant to this subsection shall be regarded as an increase of such State's allotment (as determined under the preceding provisions of this section) for such year.

(c) Funds for American Indian vocational rehabilitation services

(1) For fiscal year 1987 and for each subsequent fiscal year, the Commissioner shall reserve from the amount appropriated under section 720(b)(1) of this title for allotment under this section a sum, determined under paragraph (2), to carry out the purposes of part C of this subchapter.

(2) The sum referred to in paragraph (1) shall be, as determined by the Secretary—

AMENDMENTS

§ 731. Payments to States

(a) Amount

(1) Except as provided in paragraph (2), from each State's allotment under this part for any fiscal year, the Commissioner shall pay to a State an amount equal to the Federal share of the cost of vocational rehabilitation services under the plan for that State approved under section 721 of this title, including expenditures for the administration of the State plan.

(2)(A) The total of payments under paragraph (1) to a State for a fiscal year may not exceed its allotment under subsection (a) of section 730 of this title for such year.

(B) For fiscal year 1994 and each fiscal year thereafter, the amount otherwise payable to a State for a fiscal year under this section shall be reduced by the amount by which expenditures from non-Federal sources under the State plan under this subchapter for the previous fiscal year are less than the total of such expenditures for the second fiscal year preceding the previous fiscal year.

(C) The Commissioner may waive or modify any requirement or limitation under subparagraph (B) or section 721(a)(17) of this title if the Commissioner determines that a waiver or modification is an equitable response to exceptional or uncontrollable circumstances affecting the State.

(3)(A) Except as provided in subparagraph (B), the amount of a payment under this section with respect to any construction project in any State shall be equal to the same percentage of the cost of such project as the Federal share that is applicable in the case of rehabilitation facilities (as defined in section 2910(g) of title 42), in such State.

(B) If the Federal share with respect to rehabilitation facilities in such State is determined pursuant to section 2910(b)(2) of title 42, the percentage of the cost for purposes of this section shall be determined in accordance with regulations prescribed by the Commissioner designed to achieve as nearly as practicable results comparable to the results obtained under such section.

(b) Method of computation and payment

The method of computing and paying amounts pursuant to subsection (a) of this section shall be as follows:

(1) The Commissioner shall, prior to the beginning of each calendar quarter or other period prescribed by the Commissioner, estimate the amount to be paid to each State under the

provisions of such subsection for such period, such estimate to be based on such records of the State and information furnished by it, and such other investigation as the Commissioner may find necessary.

(2) The Commissioner shall pay, from the allotment available therefor, the amount so estimated by the Commissioner for such period, reduced or increased, as the case may be, by any sum (not previously adjusted under this paragraph) by which the Commissioner finds that the estimate of the amount to be paid the State for any prior period under such subsection was greater or less than the amount which should have been paid to the State for such prior period under such subsection. Such payment shall be made prior to audit or settlement by the Government Accountability Office, shall be made through the disbursing facilities of the Treasury Department, and shall be made in such installments as the Commissioner may determine.

§ 732. Client assistance program

(a) Establishment of grant program

From funds appropriated under subsection (h) of this section, the Secretary shall, in accordance with this section, make grants to States to establish and carry out client assistance programs to provide assistance in informing and advising all clients and client applicants of all available benefits under this chapter, and, upon request of such clients or client applicants, to assist and advocate for such clients or applicants in their relationships with projects, programs, and services provided under this chapter, including assistance and advocacy in pursuing legal, administrative, or other appropriate remedies to ensure the protection of the rights of such individuals under this chapter and to facilitate access to the services funded under this chapter through individual and systemic advocacy. The client assistance program shall provide information on the available services and benefits under this chapter and title I of the Americans with Disabilities Act of 1990 (42 U.S.C. 12111 et seq.) to individuals with disabili-

ties in the State, especially with regard to individuals with disabilities who have traditionally been unserved or underserved by vocational rehabilitation programs. In providing assistance and advocacy under this subsection with respect to services under this subchapter, a client assistance program may provide the assistance and advocacy with respect to services that are directly related to facilitating the employment of the individual.

(b) Existence of State program as requisite to receiving payments

No State may receive payments from its allotment under this chapter in any fiscal year unless the State has in effect not later than October 1, 1984, a client assistance program which—

(1) has the authority to pursue legal, administrative, and other appropriate remedies to ensure the protection of rights of individuals with disabilities who are receiving treatments, services, or rehabilitation under this chapter within the State; and

(2) meets the requirements of designation under subsection (c) of this section.

(c) Designation of agency to conduct program

(1)(A) The Governor shall designate a public or private agency to conduct the client assistance program under this section. Except as provided in the last sentence of this subparagraph, the Governor shall designate an agency which is independent of any agency which provides treatment, services, or rehabilitation to individuals under this chapter. If there is an agency in the State which has, or had, prior to February 22, 1984, served as a client assistance agency under this section and which received Federal financial assistance under this chapter, the Governor may, in the initial designation, designate an agency which provides treatment, services, or rehabilitation to individuals with disabilities under this chapter.

(B)(i) The Governor may not redesignate the agency designated under subparagraph (A) without good cause and unless—

(I) the Governor has given the agency 30 days notice of the intention to make such redesignation, including specification of the good cause for such redesignation and an opportunity to respond to the assertion that good cause has been shown;

(II) individuals with disabilities or the individuals' representatives have timely notice of the redesignation and opportunity for public comment; and

(III) the agency has the opportunity to appeal to the Commissioner on the basis that the redesignation was not for good cause.

(ii) If, after August 7, 1998—

(I) a designated State agency undergoes any change in the organizational structure of the agency that results in the creation of one or more new State agencies or departments or results in the merger of the designated State agency with one or more other State agencies or departments; and

(II) an agency (including an office or other unit) within the designated State agency was conducting a client assistance program before the change under the last sentence of subparagraph (A),
