(A) the population of the State, multiplied by the general tax effort factor of the State (determined under paragraph (2)), multiplied by the relative income factor of the State (determined under paragraph (3)), multiplied by the relative rate of the labor force unemployed in the State (determined under paragraph (4)); bears to

(B) the sum of the products determined under subparagraph (A) of this paragraph for all States.

(2) GENERAL TAX EFFORT FACTOR.—The general tax effort factor of a State for a payment period is—

(2) \$1,166,666,667 were allocated among the States on the basis of population inversely weighted for per capita income, by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as—

(A) the population of the State, multiplied by a fraction in which—

(i) the numerator is the per capita income of all States; and

(ii) the denominator is the per capita income of the State; bears to

(B) the sum of the products determined under subparagraph (A) for all States;

(3) \$600,000,000 were allocated among the States on the basis of income tax collections by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as the income tax amount of the State (determined under subsection (d)(1)) bears to the sum of the income tax amounts of all States;

(4) \$600,000,000 were allocated among the States on the basis of general tax effort by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as the general tax effort amount of the State (determined under subsection (d)(2)) bears to the sum of the general tax effort amounts of all States;

(5) \$600,000,000 were allocated among the States on the basis of unemployment by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as—

(ii) the denominator is the percentage of the labor force of the United States that is unemployed in the calendar year preceding the payment period (as determined by the Secretary of Labor for general statistical purposes)

bears to

(B) the sum of the products determined under subparagraph (A) for all States; and

(6) \$1,166,666,667 were allocated among the States on the basis of urbanized population by allocating to each State an amount bearing the same ratio to the total amount to be allocated under this paragraph as the urbanized population of the State bears to the urbanized population of all States.
