(VI) If the amount of adjusted taxes is less than zero, the amount of adjusted tax shall be deemed to be zero.

(VII) If the amount of adjusted taxes exceeds the amount of total taxes, the amount of adjusted taxes is deemed to equal the amount of total taxes.

(ii) The Secretary shall, for purposes of clause (i), include that part of sales taxes transferred to a unit of general local government that are imposed by a county government in the geographic area of which is located the unit of general local government as taxes imposed by the unit for public purposes if—

(I) the county government transfers any part of the revenue from the taxes to the unit of general local government without specifying the purpose for which the unit of general local government may expend the revenue; and

(II) the chief executive officer of the State notifies the Secretary that the taxes satisfy the requirements of this clause.

(iii) The adjusted taxes of a unit of general local government shall not exceed the maximum allowable adjusted taxes for that unit.

(iv) The maximum allowable adjusted taxes for a unit of general local government is the allowable adjusted taxes of the unit minus the excess adjusted taxes of the unit.

(v) The allowable adjusted taxes of a unit of general government is the greater of—

(I) the amount equal to 2.5, multiplied by the per capita adjusted taxes of all units of general local government of the same type in the State, multiplied by the population of the unit; or

(II) the amount equal to the population of the unit, multiplied by the sum of the adjusted taxes of all units of municipal local government in the State, divided by the sum of the populations of all the units of municipal local government in the State.

(vi) The excess adjusted taxes of a unit of general local government is the amount equal to—

(I) the adjusted taxes of the unit, minus

(II) 1.5 multiplied by the allowable adjusted taxes of the unit;

except that if this amount is less than zero then the excess adjusted taxes of the unit is deemed to be zero.

(vii) For purposes of this subparagraph—

(I) the term “per capita adjusted taxes of all units of general local government of the same type” means the sum of the adjusted taxes of all units of general local government of the same type divided by the sum of the populations of all units of general local government of the same type; and

(II) the term “units of general local government of the same type” means all townships if the unit of general local government is a township, all municipalities if the unit of general local government is a municipality, all counties if the unit of general local government is a county, or all unified city/county governments if the unit of general local government is a unified city/county government.

(4) INCOME GAP.—(A) Except as provided in subparagraph (B), the income gap of a unit of general local government is—

(i) the number which applies under section 6706, multiplied by the per capita income of the State in which the unit is located; minus

(ii) the per capita income of the geographic area of the unit.

(B) If the amount determined under subparagraph (A) for a unit of general local government is less than zero, then the relative income factor of the unit is deemed to be zero.

(d) SMALL GOVERNMENT ALLOCATIONS.—If the Secretary decides that information available for a unit of general local government with a population below a number (of not more than 500) prescribed by the Secretary is inadequate, the Secretary may allocate to the unit, in lieu of any allocation under subsection (b) for a payment period, an amount bearing the same ratio to the total amount to be allocated under subsection (b) for the period for all units of general local government in the State as the population of the unit bears to the population of all units in the State.
