§ 6907. State legislation requiring reallocation or redistribution of payments to smaller units of general purpose government

(a) Notwithstanding any other provision of this chapter, a State may enact legislation which requires that any payments which would be made to units of general local government pursuant to this chapter be reallocated and redistributed in whole or part to other smaller units of general purpose government which (1) are located within the boundaries of the larger unit of general local government, (2) provide general governmental services and (3) contain entitlement lands within their boundaries. Such redistribution shall be made within 30 days after receipt of such payment.
