(a) Subject to section 8104 of this title, the Secretary—

(1) may construct or alter any medical facility and may acquire, by purchase, lease, condemnation, donation, exchange, or otherwise, such land or interests in land as the Secretary considers necessary for use as the site for such construction or alteration;

(2) may acquire, by purchase, lease, condemnation, donation, exchange, or otherwise, any facility (including the site of such facility) that the Secretary considers necessary for use as a medical facility; and

(3) in order to assure compliance with section 8110(a)(2) of this title, in the case of any outpatient medical facility for which it is proposed to lease space and for which a qualified lessor and an appropriate leasing arrangement are available, shall execute a lease for such facility within 12 months after funds are made available for such purpose.

(b) Whenever the Secretary considers it to be in the interest of the United States to construct a new medical facility to replace an existing medical facility, the Secretary (1) may demolish the existing facility and use the site on which it is located for the site of the new medical facility, or (2) if in the judgment of the Secretary it is more advantageous to construct such medical facility on a different site in the same locality, may exchange such existing facility and the site of such existing facility for the different site.

(ii) the ownership of such facility shall vest in the United States at the end of such lease.

(4)(A) The Secretary may sublease any space in such a facility to another party at a rate not less than—

(ii) the amount the Secretary pays for the costs of administering such facility (including operation, maintenance, utility, and rehabilitation costs) which are attributable to such space.

(B) In any such sublease, the Secretary shall include such terms relating to default and non-performance as the Secretary considers appropriate to protect the interests of the United States.

(5) The Secretary shall use the receipts of any payment for the lease of real property under paragraph (2) for the payment of the lease of a facility under paragraph (3).

(6) The authority to enter into an agreement under this subsection—
