(b)(1) As reimbursement to the Postal Service for public service costs incurred by it in providing a maximum degree of effective and regular postal service nationwide, in communities where post offices may not be deemed self-sustaining, as elsewhere, there are authorized to be appropriated to the Postal Service the following amounts:

In requesting an appropriation under this subsection for a fiscal year, the Postal Service shall include an amount to reconcile sums authorized to be appropriated for prior fiscal years on the basis of estimated mail volume.
