EX. ORD. NO. 13005. EMPOWERMENT CONTRACTING

Ex. Ord. No. 13005, May 21, 1996, 61 F.R. 26069, provided:

In order to promote economy and efficiency in Federal procurement, it is necessary to secure broad-based competition for Federal contracts. This broad competition is best achieved where there is an expansive pool of potential contractors capable of producing quality goods and services at competitive prices. A great and largely untapped opportunity for expanding the pool of such contractors can be found in this Nation’s economically distressed communities.

Fostering growth of Federal contractors in economically distressed communities and ensuring that those contractors become viable businesses for the long term will promote economy and efficiency in Federal procurement and help to empower those communities. Fostering growth of long-term viable contractors will be promoted by offering appropriate incentives to qualified businesses.
