CONSTRUCTION

Pub. L. 98-369, div. B, title VII, § 2711(c), July 18, 1984, 98 Stat. 1181, provided that: “The amendments made by this section [see Tables for classification] do not supersede or affect the provisions of section 8(a) of the Small Business Act (15 U.S.C. 637(a)).”

**§ 3302. Requirements for purchase of property and services pursuant to multiple award contracts**

(a) DEFINITIONS.—In this section:

- (1) EXECUTIVE AGENCY.—The term “executive agency” has the same meaning given in section 133 of this title.
- (2) INDIVIDUAL PURCHASE.—The term “individual purchase” means a task order, delivery order, or other purchase.
- (3) MULTIPLE AWARD CONTRACT.—The term “multiple award contract” means—
  - (A) a contract that is entered into by the Administrator of General Services under the multiple award schedule program referred to in section 2302(2)(C) of title 10;
  - (B) a multiple award task order contract that is entered into under the authority of sections 2304a to 2304d of title 10, or chapter 41 of this title; and
  - (C) any other indefinite delivery, indefinite quantity contract that is entered into by the head of an executive agency with 2 or more sources pursuant to the same solicitation.
- (4) SOLE SOURCE TASK OR DELIVERY ORDER.—The term “sole source task or delivery order” means any order that does not follow the competitive procedures in paragraph (2) or (3) of subsection (c).

(b) REGULATIONS REQUIRED.—The Federal Acquisition Regulation shall require enhanced competition in the purchase of property and

services by all executive agencies pursuant to multiple award contracts.

(c) CONTENT OF REGULATIONS.—

(1) IN GENERAL.—The regulations required by subsection (b) shall provide that each individual purchase of property or services in excess of the simplified acquisition threshold that is made under a multiple award contract shall be made on a competitive basis unless a contracting officer—

(A) waives the requirement on the basis of a determination that—

(i) one of the circumstances described in paragraphs (1) to (4) of section 4106(c) of this title or section 2304c(b) of title 10 applies to the individual purchase; or

(ii) a law expressly authorizes or requires that the purchase be made from a specified source; and

(B) justifies the determination in writing.

(2) COMPETITIVE BASIS PROCEDURES.—For purposes of this subsection, an individual purchase of property or services is made on a competitive basis only if it is made pursuant to procedures that—

(A) require fair notice of the intent to make that purchase (including a description of the work to be performed and the basis on which the selection will be made) to be provided to all contractors offering the property or services under the multiple award contract; and

(B) afford all contractors responding to the notice a fair opportunity to make an offer and have that offer fairly considered by the official making the purchase.

(3) EXCEPTION TO NOTICE REQUIREMENT.—

(A) IN GENERAL.—Notwithstanding paragraph (2), and subject to subparagraph (B), notice may be provided to fewer than all contractors offering the property or services under a multiple award contract as described in subsection (a)(3)(A) if notice is provided to as many contractors as practicable.

(B) LIMITATION ON EXCEPTION.—A purchase may not be made pursuant to a notice that is provided to fewer than all contractors under subparagraph (A) unless—

(i) offers were received from at least 3 qualified contractors; or

(ii) a contracting officer of the executive agency determines in writing that no additional qualified contractors were able to be identified despite reasonable efforts to do so.

(d) PUBLIC NOTICE REQUIREMENTS RELATED TO SOLE SOURCE TASK OR DELIVERY ORDERS.—

(1) PUBLIC NOTICE REQUIRED.—The Federal Acquisition Regulation shall require the head of each executive agency to—

(A) publish on FedBizOpps notice of all sole source task or delivery orders in excess of the simplified acquisition threshold that are placed against multiple award contracts not later than 14 days after the orders are placed, except in the event of extraordinary circumstances or classified orders; and

(B) disclose the determination required by subsection (c)(1) related to sole source task

or delivery orders in excess of the simplified acquisition threshold placed against multiple award contracts through the same mechanism and to the same extent as the disclosure of documents containing a justification and approval required by section 2304(f)(1) of title 10 and section 3304(e)(1) of this title, except in the event of extraordinary circumstances or classified orders.

(2) EXEMPTION.—This subsection does not require the public availability of information that is exempt from public disclosure under section 552(b) of title 5.

(e) APPLICABILITY.—The regulations required by subsection (b) shall apply to all individual purchases of property or services that are made under multiple award contracts on or after the effective date of the regulations, without regard to whether the multiple award contracts were entered into before, on, or after the effective date.

AMENDMENT NOT SHOWN IN TEXT

*This section was derived from Pub. L. 110-417, [div. A], title VIII, § 863(a)-(e), Oct. 14, 2008, 122 Stat. 4547, which was set out as a note under section 253h of former Title 41, Public Contracts, prior to being repealed and reenacted by Pub. L. 111-350, §§ 3, 7(b), Jan. 4, 2011, 124 Stat. 3677, 3855. Section 863(b)(3)(A) of Pub. L. 110-417 was restated as subsec. (c)(3)(A) of this section and subsequently amended by Pub. L. 111-383, div. A, title X, §1075(e)(14), Jan. 7, 2011, 124 Stat. 4375. For applicability of that amendment to this section, see section 6(a) of Pub. L. 111-350, set out as a Transitional and Savings Provisions note preceding section 101 of this title. Section 863(b)(3)(A) of Pub. L. 110-417 was amended by striking “subsection (d)(2)(A)” and inserting “subsection (d)(3)(A)”. Such reference did not appear in the text of subsec. (c)(3)(A) as enacted. In subsection (b), the words “Not later than one year after the date of the enactment of this Act” are omitted because of section 6(f) of the bill. The words “shall require” are substituted for “shall be amended to require” to reflect the permanence of the provision.

In subsection (c)(2)(A), the words “except as provided in paragraph (3)” are omitted as unnecessary.

In subsection (c)(3)(A), “subsection (a)(3)(A)” is substituted for “subsection (d)(2)(A)” for consistency in the revised title and to correct an error in the law.

In subsection (d)(1), the words “Not later than one year after the date of the enactment of this Act” are omitted because of section 6(f) of the bill. The words “shall require” are substituted for “shall be amended to require” to reflect the permanence of the provision.

**§ 3303. Exclusion of particular source or restriction of solicitation to small business concerns**

(a) EXCLUSION OF PARTICULAR SOURCE.—

(1) CRITERIA FOR EXCLUSION.—An executive agency may provide for the procurement of property or services covered by section 3301 of this title using competitive procedures but excluding a particular source to establish or maintain an alternative source of supply for that property or service if the agency head determines that to do so would—

(A) increase or maintain competition and likely result in reduced overall cost for the procurement, or for an anticipated procurement, of the property or services;

(B) be in the interest of national defense in having a facility (or a producer, manufacturer, or other supplier) available for furnishing the property or service in case of a national emergency or industrial mobilization;

(C) be in the interest of national defense in establishing or maintaining an essential engineering, research, or development capability to be provided by an educational or other nonprofit institution or a Federally funded research and development center;

(D) ensure the continuous availability of a reliable source of supply of the property or service;

(E) satisfy projected needs for the property or service determined on the basis of a history of high demand for the property or service; or

(F) satisfy a critical need for medical, safety, or emergency supplies.

(2) DETERMINATION FOR CLASS DISALLOWED.—A determination under paragraph (1) may not be made for a class of purchases or contracts.

(b) EXCLUSION OF OTHER THAN SMALL BUSINESS CONCERNS.—An executive agency may provide for the procurement of property or services covered by section 3301 of this title using competitive procedures, but excluding other than small business concerns in furtherance of sections 9 and 15 of the Small Business Act (15 U.S.C. 638, 644).

(c) NONAPPLICATION OF JUSTIFICATION AND APPROVAL REQUIREMENTS.—A contract awarded pursuant to the competitive procedures referred to in subsections (a) and (b) is not subject to the justification and approval required by section 3304(e)(1) of this title.

**§ 3304. Use of noncompetitive procedures**

(a) WHEN NONCOMPETITIVE PROCEDURES MAY BE USED.—An executive agency may use procedures other than competitive procedures only when—

(1) the property or services needed by the executive agency are available from only one responsible source and no other type of property or services will satisfy the needs of the executive agency;

(2) the executive agency's need for the property or services is of such an unusual and compelling urgency that the Federal Government would be seriously injured unless the executive agency is permitted to limit the number of sources from which it solicits bids or proposals;

(3) it is necessary to award the contract to a particular source—

(A) to maintain a facility, producer, manufacturer, or other supplier available for furnishing property or services in case of a national emergency or to achieve industrial mobilization;

(B) to establish or maintain an essential engineering, research, or development capability to be provided by an educational or other nonprofit institution or a Federally funded research and development center;

(C) to procure the services of an expert for use, in any litigation or dispute (including any reasonably foreseeable litigation or dispute) involving the Federal Government, in any trial, hearing, or proceeding before a court, administrative tribunal, or agency, whether or not the expert is expected to testify; or

(D) to procure the services of an expert or neutral for use in any part of an alternative dispute resolution or negotiated rulemaking process, whether or not the expert is expected to testify;

(4) the terms of an international agreement or treaty between the Federal Government and a foreign government or an international organization, or the written directions of a foreign government reimbursing the executive agency for the cost of the procurement of the property or services for that government, have the effect of requiring the use of procedures other than competitive procedures;

(5) subject to section 3105 of this title, a statute expressly authorizes or requires that the procurement be made through another executive agency or from a specified source, or the agency's need is for a brand-name commercial item for authorized resale;

(6) the disclosure of the executive agency's needs would compromise the national security unless the agency is permitted to limit the number of sources from which it solicits bids or proposals; or

(7) the head of the executive agency (who may not delegate the authority under this paragraph)—

(A) determines that it is necessary in the public interest to use procedures other than competitive procedures in the particular procurement concerned; and

(B) notifies Congress in writing of that determination not less than 30 days before the award of the contract.
