

§ 9917. Accountability and reporting requirements

(a) State accountability and reporting requirements

(1) Performance measurement

(A) In general

By October 1, 2001, each State that receives funds under this chapter shall participate, and shall ensure that all eligible entities in the State participate, in a performance measurement system, which may be a performance measurement system for which the Secretary facilitated development pursuant to subsection (b) of this section, or an alternative system that the Secretary is satisfied meets the requirements of subsection (b) of this section.

(B) Local agencies

The State may elect to have local agencies that are subcontractors of the eligible entities under this chapter participate in the performance measurement system. If the State makes that election, references in this section to eligible entities shall be considered to include the local agencies.

(2) Annual report

Each State shall annually prepare and submit to the Secretary a report on the measured performance of the State and the eligible entities in the State. Prior to the participation of the State in the performance measurement system, the State shall include in the report any information collected by the State relating to such performance. Each State shall also include in the report an accounting of the expenditure of funds received by the State through the community services block grant program, including an accounting of funds spent on administrative costs by the State and the eligible entities, and funds spent by eligible entities on the direct delivery of local services, and shall include information on the number of and characteristics of clients served under this chapter in the State, based on data collected from the eligible entities. The State shall also include in the report a summary describing the training and technical assistance offered by the State under section 9915(a)(3) of this title during the year covered by the report.

(b) Secretary's accountability and reporting requirements

(1) Performance measurement

The Secretary, in collaboration with the States and with eligible entities throughout the Nation, shall facilitate the development of one or more model performance measurement systems, which may be used by the States and by eligible entities to measure their performance in carrying out the requirements of this chapter and in achieving the goals of their community action plans. The Secretary shall provide technical assistance, including support for the enhancement of electronic data systems, to States and to eligible entities to enhance their capability to collect and report data for such a system and to aid in their participation in such a system.

(2) Reporting requirements

At the end of each fiscal year beginning after September 30, 1999, the Secretary shall, directly or by grant or contract, prepare a report containing—

(A) a summary of the planned use of funds by each State, and the eligible entities in the State, under the community services block grant program, as contained in each State plan submitted pursuant to section 9908 of this title;

(B) a description of how funds were actually spent by the State and eligible entities in the State, including a breakdown of funds spent on administrative costs and on the direct delivery of local services by eligible entities;

(C) information on the number of entities eligible for funds under this chapter, the number of low-income persons served under this chapter, and such demographic data on the low-income populations served by eligible entities as is determined by the Secretary to be feasible;

(D) a comparison of the planned uses of funds for each State and the actual uses of the funds;

(E) a summary of each State's performance results, and the results for the eligible entities, as collected and submitted by the States in accordance with subsection (a)(2) of this section; and

(F) any additional information that the Secretary considers to be appropriate to carry out this chapter, if the Secretary informs the States of the need for such additional information and allows a reasonable period of time for the States to collect and provide the information.

(3) Submission

The Secretary shall submit to the Committee on Education and the Workforce of the House of Representatives and the Committee on Labor and Human Resources of the Senate the report described in paragraph (2), and any comments the Secretary may have with respect to such report. The report shall include definitions of direct and administrative costs used by the Department of Health and Human Services for programs funded under this chapter.

(4) Costs

Of the funds reserved under section 9903(b)(3) of this title, not more than \$350,000 shall be available to carry out the reporting requirements contained in paragraph (2).

§ 9918. Limitations on use of funds

(a) Construction of facilities

(1) Limitations

Except as provided in paragraph (2), grants made under this chapter (other than amounts

reserved under section 9903(b)(3) of this title) may not be used by the State, or by any other person with which the State makes arrangements to carry out the purposes of this chapter, for the purchase or improvement of land, or the purchase, construction, or permanent improvement (other than low-cost residential weatherization or other energy-related home repairs) of any building or other facility.

(2) Waiver

The Secretary may waive the limitation contained in paragraph (1) upon a State request for such a waiver, if the Secretary finds that the request describes extraordinary circumstances to justify the purchase of land or the construction of facilities (or the making of permanent improvements) and that permitting the waiver will contribute to the ability of the State to carry out the purposes of this chapter.

(b) Political activities

(1) Treatment as a State or local agency

For purposes of chapter 15 of title 5, any entity that assumes responsibility for planning, developing, and coordinating activities under this chapter and receives assistance under this chapter shall be deemed to be a State or local agency. (2) Prohibitions

Programs assisted under this chapter shall not be carried on in a manner involving the use of program funds, the provision of services, or the employment or assignment of personnel, in a manner supporting or resulting in the identification of such programs with—

(A) any partisan or nonpartisan political activity or any political activity associated with a candidate, or contending faction or group, in an election for public or party office;

(B) any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or

(C) any voter registration activity.

(c) Nondiscrimination

(1) In general

No person shall, on the basis of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with funds made available under this chapter. (2) Action of Secretary

Whenever the Secretary determines that a State that has received a payment under this chapter has failed to comply with paragraph (1) or an applicable regulation, the Secretary shall notify the chief executive officer of the State and shall request that the officer secure compliance. If within a reasonable period of time, not to exceed 60 days, the chief executive officer fails or refuses to secure compliance, the Secretary is authorized to—

(A) refer the matter to the Attorney General with a recommendation that an appropriate civil action be instituted;

(B) exercise the powers and functions provided by title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.), the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), or title II of the Americans with Disabilities Act of 1990 (42 U.S.C. 12131 et seq.), as may be applicable; or

(C) take such other action as may be provided by law.

(3) Action of Attorney General

When a matter is referred to the Attorney General pursuant to paragraph (2), or whenever the Attorney General has reason to believe that the State is engaged in a pattern or practice of discrimination in violation of the provisions of this subsection, the Attorney General may bring a civil action in any appropriate United States district court for such relief as may be appropriate, including injunctive relief.
