negotiate a proposed agreement under this section on behalf of the State, any reference in this subchapter to the Governor shall be considered to refer instead to such other person or entity.

(b) Consultation with affected States, subdivisions of States, and tribes

In addition to entering into negotiations under subsection (a) of this section, the Negotiator shall consult with any State, affected unit of local government, or any Indian tribe that the Negotiator determines may be affected by the siting of a repository or monitored retrievable storage facility and may include in any proposed agreement such terms and conditions relating to the interest of such States, affected units of local government, or Indian tribes as the Negotiator determines to be reasonable and appropriate.
