

erated by an alternative energy source, such as a solar cell or wind-driven generator;

(iii) a battery used as a backup power source for memory or program instruction storage, timekeeping, or any similar purpose that requires uninterrupted electrical power in order to function if the primary energy supply fails or fluctuates momentarily; or

(iv) a rechargeable alkaline battery.

(6) Rechargeable consumer product

The term “rechargeable consumer product”—

(A) means a product that, when sold at retail, includes a regulated battery as a primary energy supply, and that is primarily intended for personal or household use; but

(B) does not include a product that only uses a battery solely as a source of backup power for memory or program instruction storage, timekeeping, or any similar purpose that requires uninterrupted electrical power in order to function if the primary energy supply fails or fluctuates momentarily.

(7) Regulated battery

The term “regulated battery” means a rechargeable battery that—

(A) contains a cadmium or a lead electrode or any combination of cadmium and lead electrodes; or

(B) contains other electrode chemistries and is the subject of a determination by the Administrator under section 14322(d) of this title.

(8) Remanufactured product

The term “remanufactured product” means a rechargeable consumer product that has been altered by the replacement of parts, repackaged, or repaired after initial sale by the original manufacturer.

(Pub. L. 104-142, § 3, May 13, 1996, 110 Stat. 1329.)

§ 14303. Information dissemination

The Administrator shall, in consultation with representatives of rechargeable battery manufacturers, rechargeable consumer product manufacturers, and retailers, establish a program to provide information to the public concerning the proper handling and disposal of used regulated batteries and rechargeable consumer products with nonremovable batteries.

(Pub. L. 104-142, § 4, May 13, 1996, 110 Stat. 1330.)

§ 14304. Enforcement

(a) Civil penalty

When on the basis of any information the Administrator determines that a person has violated, or is in violation of, any requirement of this chapter (except a requirement of section 14323 of this title) the Administrator—

(1) in the case of any violation, may issue an order assessing a civil penalty of not more than \$10,000 for each violation, or requiring compliance immediately or within a reasonable specified time period, or both; or

(2) in the case of any violation or failure to comply with an order issued under this sec-

tion, may commence a civil action in the United States district court in the district in which the violation occurred or in the district in which the violator resides for appropriate relief, including a temporary or permanent injunction.

(b) Contents of order

An order under subsection (a)(1) of this section shall state with reasonable specificity the nature of the violation.

(c) Considerations

In assessing a civil penalty under subsection (a)(1) of this section, the Administrator shall take into account the seriousness of the violation and any good faith efforts to comply with applicable requirements.

(d) Finality of order; request for hearing

An order under subsection (a)(1) of this section shall become final unless, not later than 30 days after the order is served, a person named in the order requests a hearing on the record.

(e) Hearing

On receiving a request under subsection (d) of this section, the Administrator shall promptly conduct a hearing on the record.

(f) Subpoena power

In connection with any hearing on the record under this section, the Administrator may issue subpoenas for the attendance and testimony of witnesses and for the production of relevant papers, books, and documents.

(g) Continued violation after expiration of period for compliance

If a violator fails to take corrective action within the time specified in an order under subsection (a)(1) of this section, the Administrator may assess a civil penalty of not more than \$10,000 for the continued noncompliance with the order.

(h) Savings provision

The Administrator may not take any enforcement action against a person for selling, offering for sale, or offering for promotional purposes to the ultimate consumer a battery or product covered by this chapter that was—

(1) purchased ready for sale to the ultimate consumer; and

(2) sold, offered for sale, or offered for promotional purposes without modification.

The preceding sentence shall not apply to a person—

(A) who is the importer of a battery covered by this chapter, and

(B) who has knowledge of the chemical contents of the battery

when such chemical contents make the sale, offering for sale, or offering for promotional purposes of such battery unlawful under subchapter III of this chapter.

(Pub. L. 104-142, § 5, May 13, 1996, 110 Stat. 1331.)

§ 14305. Information gathering and access

(a) Records and reports

A person who is required to carry out the objectives of this chapter, including—

- (1) a regulated battery manufacturer;
- (2) a rechargeable consumer product manufacturer;
- (3) a mercury-containing battery manufacturer; and
- (4) an authorized agent of a person described in paragraph (1), (2), or (3),

shall establish and maintain such records and report such information as the Administrator may by regulation reasonably require to carry out the objectives of this chapter.

(b) Access and copying

The Administrator or the Administrator's authorized representative, on presentation of credentials of the Administrator, may at reasonable times have access to and copy any records required to be maintained under subsection (a) of this section.

(c) Confidentiality

The Administrator shall maintain the confidentiality of documents and records that contain proprietary information.

(Pub. L. 104-142, § 6, May 13, 1996, 110 Stat. 1332.)

§ 14306. State authority

Nothing in this chapter shall be construed to prohibit a State from enacting and enforcing a standard or requirement that is identical to a standard or requirement established or promulgated under this chapter. Except as provided in sections 14322(e) and 14323 of this title, nothing in this chapter shall be construed to prohibit a State from enacting and enforcing a standard or requirement that is more stringent than a standard or requirement established or promulgated under this chapter.

(Pub. L. 104-142, § 7, May 13, 1996, 110 Stat. 1332.)

§ 14307. Authorization of appropriations

There are authorized to be appropriated such sums as are necessary to carry out this chapter.

(Pub. L. 104-142, § 8, May 13, 1996, 110 Stat. 1332.)

SUBCHAPTER II—RECYCLING OF
RECHARGEABLE BATTERIES

§ 14321. Purpose

The purpose of this subchapter is to facilitate the efficient recycling or proper disposal of used nickel-cadmium rechargeable batteries, used small sealed lead-acid rechargeable batteries, other regulated batteries, and such rechargeable batteries in used consumer products, by—

- (1) providing for uniform labeling requirements and streamlined regulatory requirements for regulated battery collection programs; and
- (2) encouraging voluntary industry programs by eliminating barriers to funding the collection and recycling or proper disposal of used rechargeable batteries.

(Pub. L. 104-142, title I, § 102, May 13, 1996, 110 Stat. 1332.)

§ 14322. Rechargeable consumer products and labeling

(a) Prohibition

(1) In general

No person shall sell for use in the United States a regulated battery that is ready for retail sale or a rechargeable consumer product that is ready for retail sale, if such battery or product was manufactured on or after the date 12 months after May 13, 1996, unless the labeling requirements of subsection (b) of this section are met and, in the case of a regulated battery, the regulated battery—

- (A) is easily removable from the rechargeable consumer product; or
- (B) is sold separately.

(2) Application

Paragraph (1) does not apply to any of the following:

- (A) The sale of a remanufactured product unit unless paragraph (1) applied to the sale of the unit when originally manufactured.
- (B) The sale of a product unit intended for export purposes only.

(b) Labeling

Each regulated battery or rechargeable consumer product without an easily removable battery manufactured on or after the date that is 1 year after May 13, 1996, whether produced domestically or imported shall bear the following labels:

- (1) 3 chasing arrows or a comparable recycling symbol.

(2)(A) On each regulated battery which is a nickel-cadmium battery, the chemical name or the abbreviation "Ni-Cd" and the phrase "BATTERY MUST BE RECYCLED OR DISPOSED OF PROPERLY."

(B) On each regulated battery which is a lead-acid battery, "Pb" or the words "LEAD", "RETURN", and "RECYCLE" and if the regulated battery is sealed, the phrase "BATTERY MUST BE RECYCLED."

(3) On each rechargeable consumer product containing a regulated battery that is not easily removable, the phrase "CONTAINS NICKEL-CADMIUM BATTERY. BATTERY MUST BE RECYCLED OR DISPOSED OF PROPERLY." or "CONTAINS SEALED LEAD BATTERY. BATTERY MUST BE RECYCLED.", as applicable.

(4) On the packaging of each rechargeable consumer product, and the packaging of each regulated battery sold separately from such a product, unless the required label is clearly visible through the packaging, the phrase "CONTAINS NICKEL-CADMIUM BATTERY. BATTERY MUST BE RECYCLED OR DISPOSED OF PROPERLY." or "CONTAINS SEALED LEAD BATTERY. BATTERY MUST BE RECYCLED.", as applicable.

(c) Existing or alternative labeling

(1) Initial period

For a period of 2 years after May 13, 1996, regulated batteries, rechargeable consumer products containing regulated batteries, and rechargeable consumer product packages that
