§ 16462. Service allocation

(a) Definition of public utility

In this section, the term “public utility” has the meaning given the term in section 824(e) of title 16.

(b) FERC review

In the case of non-power goods or administrative or management services provided by an associate company organized specifically for the purpose of providing such goods or services to any public utility in the same holding company system, at the election of the system or a State commission having jurisdiction over the public utility, the Commission, after the effective date of this part, shall review and authorize the allocation of the costs for such goods or services to the extent relevant to that associate company.

(c) Effect on Federal and State law

Nothing in this section shall affect the authority of the Commission or a State commission under other applicable law.

(d) Rules

Not later than 4 months after August 8, 2005, the Commission shall issue rules (which rules

shall be effective no earlier than the effective date of this part) to exempt from the requirements of this section any company in a holding company system whose public utility operations are confined substantially to a single State and any other class of transactions that the Commission finds is not relevant to the jurisdictional rates of a public utility.

PART E—MARKET TRANSPARENCY, ENFORCEMENT, AND CONSUMER PROTECTION

§ 16471. Consumer privacy and unfair trade practices

(a) Privacy

The Federal Trade Commission may issue rules protecting the privacy of electric consumers from the disclosure of consumer information obtained in connection with the sale or delivery of electric energy to electric consumers.

(b) Slamming

The Federal Trade Commission may issue rules prohibiting the change of selection of an electric utility except with the informed consent of the electric consumer or if approved by the appropriate State regulatory authority.

(c) Cramming

The Federal Trade Commission may issue rules prohibiting the sale of goods and services to an electric consumer unless expressly authorized by law or the electric consumer.

(d) Rulemaking

The Federal Trade Commission shall proceed in accordance with section 553 of title 5 when prescribing a rule under this section.

(e) State authority

If the Federal Trade Commission determines that a State’s regulations provide equivalent or greater protection than the provisions of this section, such State regulations shall apply in that State in lieu of the regulations issued by the Commission under this section.
