

thorities which have agreed to assume ownership of the project and responsibility for its performance, operation, and maintenance, as well as necessary replacements in accordance with this section upon full payment by such non-Federal public authorities as required under subsection (g)(1) of this section. Such conveyance shall, pursuant to the agreement required by subsection (g) of this section, to the maximum extent possible, occur immediately upon the project's availability for generation of all or a substantial portion of the authorized hydroelectric power of the project, and shall include such Federal requirements, reservations, and provisions for access rights to the project and its records as the Secretary finds advisable to complete any portion of project construction remaining at the time of conveyance and to assure that the project will be operated and maintained in a responsible and safe manner to accomplish, as nearly as may be possible, all of the authorized purposes of the project including, but not restricted to, hydroelectric power generation.

(i) Short title

This section shall be cited as the "Alaska Hydroelectric Power Development Act".

(Pub. L. 94-587, §203, Oct. 22, 1976, 90 Stat. 2946; Pub. L. 103-437, §15(e)(2), Nov. 2, 1994, 108 Stat. 4592.)

CODIFICATION

Section was enacted as part of the Water Resources Development Act of 1976, and not as part of the Water Resources Planning Act which comprises this chapter.

AMENDMENTS

1994—Subsec. (g)(1). Pub. L. 103-437 substituted "Committees on Environment and Public Works and on Appropriations of the Senate and the Committees on Public Works and Transportation and on Appropriations of the House" for "Committees on Public Works and Appropriations of the Senate and House".

CHANGE OF NAME

Committee on Public Works and Transportation of House of Representatives treated as referring to Committee on Transportation and Infrastructure of House of Representatives by section 1(a) of Pub. L. 104-14, set out as a note preceding section 21 of Title 2, The Congress.

§ 1962d-15. Protection of United States from liability for damages; exception of damages due to fault or negligence of United States

The requirement in any water resources development project under the jurisdiction of the Secretary of the Army, that non-Federal interests hold and save the United States free from damages due to the construction, operation, and maintenance of the project, does not include damages due to the fault or negligence of the United States or its contractors.

(Pub. L. 93-251, title I, §9, Mar. 7, 1974, 88 Stat. 16.)

CODIFICATION

Section was enacted as part of the Water Resources Development Act of 1974, and not as part of the Water Resources Planning Act which comprises this chapter.

§ 1962d-16. Comprehensive plans for development, utilization, and conservation of water and related resources

(a) Federal State cooperation

(1) Comprehensive plans

The Secretary of the Army, acting through the Chief of Engineers, is authorized to cooperate with any State in the preparation of comprehensive plans for the development, utilization, and conservation of the water and related resources of drainage basins, watersheds, or ecosystems located within the boundaries of such State and to submit to Congress reports and recommendations with respect to appropriate Federal participation in carrying out such plans.

(2) Technical assistance

(A) In general

At the request of a governmental agency or non-Federal interest, the Secretary may provide, at Federal expense, technical assistance to such agency or non-Federal interest in managing water resources.

(B) Types of assistance

Technical assistance under this paragraph may include provision and integration of hydrologic, economic, and environmental data and analyses.

(b) Fees

(1) Establishment and collection

For the purpose of recovering 50 percent of the total cost of providing assistance pursuant to subsection (a)(1), the Secretary of the Army is authorized to establish appropriate fees, as determined by the Secretary, and to collect such fees from States and other non-Federal public bodies to whom assistance is provided under subsection (a)(1).

(2) In-kind services

The non-Federal contribution for preparation of a plan subject to the cost sharing program under this subsection may be made by the provision of services, materials, supplies, or other in-kind services necessary to prepare the plan.

(3) Deposit and use

Fees collected under this subsection shall be deposited into the account in the Treasury of the United States entitled, "Contributions and Advances, Rivers and Harbors, Corps of Engineers (8862)" and shall be available until expended to carry out this section.

(c) Authorization of appropriations

(1) Federal and State cooperation

There is authorized to be appropriated not to exceed \$10,000,000 annually to carry out subsection (a)(1), except that not more than \$2,000,000 shall be expended in any one year in any one State.

(2) Technical assistance

There is authorized to be appropriated \$5,000,000 annually to carry out subsection (a)(2), of which not more than \$2,000,000 annually may be used by the Secretary to enter
