AMENDMENTS

1994—Subsec. (g)(1). Pub. L. 103-437 substituted "Committees on Environment and Public Works and on Appropriations of the Senate and the Committees on Public Works and Transportation and on Appropriations of the House" for "Committees on Public Works and Appropriations of the Senate and House".

CHANGE OF NAME

Committee on Public Works and Transportation of House of Representatives treated as referring to Committee on Transportation and Infrastructure of House of Representatives by section 1(a) of Pub. L. 104-14, set out as a note preceding section 21 of Title 2, The Congress.

§ 1962d-15. Protection of United States from liability for damages; exception of damages due to fault or negligence of United States

The requirement in any water resources development project under the jurisdiction of the Secretary of the Army, that non-Federal interests hold and save the United States free from damages due to the construction, operation, and maintenance of the project, does not include damages due to the fault or negligence of the United States or its contractors.

(Pub. L. 93-251, title I, §9, Mar. 7, 1974, 88 Stat. 16.)

CODIFICATION

Section was enacted as part of the Water Resources Development Act of 1974, and not as part of the Water Resources Planning Act which comprises this chapter.

§ 1962d-16. Comprehensive plans for development, utilization, and conservation of water and related resources

(a) Federal State cooperation

(1) Comprehensive plans

The Secretary of the Army, acting through the Chief of Engineers, is authorized to cooperate with any State in the preparation of comprehensive plans for the development, utilization, and conservation of the water and related resources of drainage basins, watersheds, or ecosystems located within the boundaries of such State and to submit to Congress reports and recommendations with respect to appropriate Federal participation in carrying out such plans.

(2) Technical assistance

(A) In general

At the request of a governmental agency or non-Federal interest, the Secretary may provide, at Federal expense, technical assistance to such agency or non-Federal interest in managing water resources.

(B) Types of assistance

Technical assistance under this paragraph may include provision and integration of hydrologic, economic, and environmental data and analyses.

(b) Fees

(1) Establishment and collection

For the purpose of recovering 50 percent of the total cost of providing assistance pursuant to subsection (a)(1), the Secretary of the Army is authorized to establish appropriate fees, as determined by the Secretary, and to collect such fees from States and other non-Federal public bodies to whom assistance is provided under subsection (a)(1).

(2) In-kind services

The non-Federal contribution for preparation of a plan subject to the cost sharing program under this subsection may be made by the provision of services, materials, supplies, or other in-kind services necessary to prepare the plan.

(3) Deposit and use

Fees collected under this subsection shall be deposited into the account in the Treasury of the United States entitled, "Contributions and Advances, Rivers and Harbors, Corps of Engineers (8862)" and shall be available until expended to carry out this section.

(c) Authorization of appropriations

(1) Federal and State cooperation

There is authorized to be appropriated not to exceed \$10,000,000 annually to carry out subsection (a)(1), except that not more than \$2,000,000 shall be expended in any one year in any one State.

(2) Technical assistance

There is authorized to be appropriated \$5,000,000 annually to carry out subsection (a)(2), of which not more than \$2,000,000 annually may be used by the Secretary to enter

into cooperative agreements with nonprofit organizations to provide assistance to rural and small communities.

(d) Annual submission of proposed activities

Concurrent with the President's submission to Congress of the President's request for appropriations for the Civil Works Program for a fiscal year, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Environment and Public Works of the Senate a report describing the individual activities proposed for funding under subsection (a)(1) for that fiscal year.

(e) "State" defined

For the purposes of this section, the term "State" means the several States of the United States, Indian tribes, the Commonwealth of Puerto Rico, Guam, American Samoa, the Virgin Islands, the Commonwealth of the Northern Marianas, and the Trust Territory of the Pacific Islands.

§ 1962d-17. Regional or river basin plans and Federal water and related land resources projects; preparation, formulation, and evaluation

(a) Interest rate formula for discounting future benefits and cost computations; repeal of conflicting provisions and administrative actions

The interest rate formula to be used in plan formulation and evaluation for discounting future benefits and computing costs by Federal officers, employees, departments, agencies, and instrumentalities in the preparation of comprehensive regional or river basin plans and the formulation and evaluation of Federal water and related land resources projects shall be the formula set forth in the "Policies, Standards, and Procedures in the Formulation, Evaluation, and Review of Plans for Use and Development of Water and Related Land Resources" approved by the President on May 15, 1962, and published as Senate Document 97 of the Eighty-seventh Congress on May 29, 1962, as amended by the regulation issued by the Water Resources Council and published in the Federal Register on December 24, 1968 (33 F.R. 19170; 18 C.F.R. 704.39), until otherwise provided by a statute enacted after March 7, 1974. Every provision of law and every administrative action in conflict with this section is hereby repealed to the extent of such conflict.

(b) Interest rate for prior authorized projects assured of non-Federal share of project costs; continuation of rate

In the case of any project authorized before January 3, 1969, if the appropriate non-Federal interests have, prior to December 31, 1969, given satisfactory assurances to pay the required non-Federal share of project costs, the discount rate to be used in the computation of benefits and costs for such project shall be the rate in effect immediately prior to December 24, 1968, and that rate shall continue to be used for such project until construction has been completed, unless otherwise provided by a statute enacted after March 7, 1974.

(c) Water and related resources projects; Presidential study; scope of study; report to Congress

The President shall make a full and complete investigation and study of principles and stand-
