CHAPTER 40—SOIL INFORMATION ASSISTANCE FOR COMMUNITY PLANNING AND RESOURCE DEVELOPMENT

Sec.	
3271.	Availability of soil surveys under soil survey program.
3272.	Cooperative assistance to State and other public agencies; types of assistance; private engineering services.
3273.	Contributions of State or other public agencies toward cost of soil surveys.
3274.	Authorization of appropriations.

§ 3271. Availability of soil surveys under soil survey program

In recognition of the increasing need for soil surveys by the States and other public agencies in connection with community planning and resource development for protecting and improving the quality of the environment, meeting recreational needs, conserving land and water resources, providing for multiple uses of such resources, and controlling and reducing pollution from sediment and other pollutants in areas of rapidly changing uses, including farmlands being shifted to other uses, resulting from rapid expansions in the uses of land for industry, housing, transportation, recreation, and related services, it is the sense of Congress that the soil survey program of the United States Department of Agriculture should be conducted so as to make available soil surveys to meet such needs of the States and other public agencies in connection with community planning and resource development.

(Pub. L. 89-560, §1, Sept. 7, 1966, 80 Stat. 706.)

§ 3272. Cooperative assistance to State and other public agencies; types of assistance; private engineering services

In order to provide soil surveys to assist States, their political subdivisions, soil and water conservation districts, towns, cities, planning boards and commissions, community development districts, and other public agencies in community planning and resource development for the protection and improvement of the quality of the environment, recreational development, the conservation of land and water resources, the development of multiple uses of such resources, and the control and prevention of pollution from sediment and other pollutants in areas of rapidly changing uses, including farm and nonfarm areas, the Secretary of Agriculture shall, upon the request of a State or other public agency, provide by means of such cooperative arrangements with the State or other public agency as he may deem advisable, the following assistance with respect to such areas and purposes:

- (1) the making of studies and reports necessary for the classification and interpretation of kinds of soil;
- (2) an intensification of the use and benefits of the National Cooperative Soil Survey;
- (3) the furnishing of technical and other assistance needed for use of soil surveys; and
- (4) consultation with other Federal agencies participating or assisting in the planning and development of such areas in order to assure
