The Secretary may not make a grant under section 300k of this title unless the State involved agrees—

(1) to ensure that, initially and throughout the period during which amounts are received pursuant to the grant, not less than 60 percent of the grant is expended to provide each of the services or activities described in paragraphs (1) and (2) of section 300k(a) of this title, including making available screening procedures for both breast and cervical cancers;

(2) subject to subsection (b) of this section, to ensure that—

The Secretary may not make a grant under section 300k of this title unless the State involved agrees that the State will, in accordance with applicable law, assure the quality of screening procedures conducted pursuant to such section.

(B) the application of such requirement would result in a barrier to the enrollment of qualifying women;

(C) the State involved—

(i) demonstrates, to the satisfaction of the Secretary, the manner in which the State will use such waiver to expand the level of screening and follow-up services provided immediately prior to the date on which the waiver is granted; and

(D) the State involved submits to the Secretary—

(i) assurances, satisfactory to the Secretary, that the State will maintain the average annual level of State fiscal year expenditures for the services and activities described in paragraphs (1) and (2) of section 300k(a) of this title for the period for which the waiver is granted, and for the period for which any extension of such waiver is granted, at a level that is not less than—
