

EFFECTIVE DATE OF 1988 AMENDMENT

Amendment by Pub. L. 100-690 effective immediately after enactment of Pub. L. 100-607, which was approved Nov. 4, 1988, see section 2600 of Pub. L. 100-690, set out as a note under section 242m of this title.

§ 300ee-1. Establishment of office with respect to minority health and acquired immune deficiency syndrome

The Secretary of Health and Human Services, acting through the Director of the Centers for Disease Control and Prevention, shall establish an office for the purpose of ensuring that, in carrying out the duties of the Secretary with respect to prevention of acquired immune deficiency syndrome, the Secretary develops and implements prevention programs targeted at minority populations and provides appropriate technical assistance in the implementation of such programs.

(Pub. L. 100-607, title II, §252, Nov. 4, 1988, 102 Stat. 3108; Pub. L. 102-531, title III, §312(e)(2), Oct. 27, 1992, 106 Stat. 3506.)

CODIFICATION

Section was enacted as part of the AIDS Amendments of 1988 and as part of the Health Omnibus Programs Extension of 1988, and not as part of the Public Health Service Act which comprises this chapter.

AMENDMENTS

1992—Pub. L. 102-531 substituted “Centers for Disease Control and Prevention” for “Centers for Disease Control”.

REQUIREMENT OF STUDY WITH RESPECT TO MINORITY HEALTH AND ACQUIRED IMMUNE DEFICIENCY SYNDROME

Section 251 of Pub. L. 100-607, as amended by Pub. L. 100-690, title II, §2602(b), Nov. 18, 1988, 102 Stat. 4234, provided that:

“(a) IN GENERAL.—The Secretary of Health and Human Services, acting through the Director of the Office of Minority Health, shall conduct a study for the purpose of determining—

“(1) the level of knowledge within minority communities concerning acquired immune deficiency syndrome, the risks of the transmission of the etiologic agent for such syndrome, and the means of reducing such risk; and

“(2) the effectiveness of Federal, State, and local prevention programs with respect to acquired immune deficiency syndrome in minority communities.

“(b) REPORT.—The Secretary shall, not later than 12 months after the date of the enactment of this title [Nov. 4, 1988], complete the study required in subsection (a) and submit to the Congress a report describing the findings made as a result of the study.”

§ 300ee-2. Information for health and public safety workers

(a) Development and dissemination of guidelines

Not later than 90 days after November 4, 1988, the Secretary of Health and Human Services (hereafter in this section referred to as the “Secretary”), acting through the Director of the Centers for Disease Control and Prevention, shall develop, issue, and disseminate emergency guidelines to all health workers and public safety workers (including emergency response employees) in the United States concerning—

(1) methods to reduce the risk in the workplace of becoming infected with the etiologic agent for acquired immune deficiency syndrome; and

(2) circumstances under which exposure to such etiologic agent may occur.

(b) Use in occupational standards

The Secretary shall transmit the guidelines issued under subsection (a) of this section to the Secretary of Labor for use by the Secretary of Labor in the development of standards to be issued under the Occupational Safety and Health Act of 1970 [29 U.S.C. 651 et seq.].

(c) Development and dissemination of model curriculum for emergency response employees

(1) Not later than 90 days after November 4, 1988, the Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall develop a model curriculum for emergency response employees with respect to the prevention of exposure to the etiologic agent for acquired immune deficiency syndrome during the process of responding to emergencies.

(2) In carrying out paragraph (1), the Secretary shall consider the guidelines issued by the Secretary under subsection (a) of this section.

(3) The model curriculum developed under paragraph (1) shall, to the extent practicable, include—

(A) information with respect to the manner in which the etiologic agent for acquired immune deficiency syndrome is transmitted; and

(B) information that can assist emergency response employees in distinguishing between conditions in which such employees are at risk with respect to such etiologic agent and conditions in which such employees are not at risk with respect¹ such etiologic agent.

(4) The Secretary shall establish a task force to assist the Secretary in developing the model curriculum required in paragraph (1). The Secretary shall appoint to the task force representatives of the Centers for Disease Control and Prevention, representatives of State governments, and representatives of emergency response employees.

(5) The Secretary shall—

(A) transmit to State public health officers copies of the guidelines and the model curriculum developed under paragraph (1) with the request that such officers disseminate such copies as appropriate throughout the State; and

(B) make such copies available to the public.

(Pub. L. 100-607, title II, §253, Nov. 4, 1988, 102 Stat. 3108; Pub. L. 100-690, title II, §2602(c), Nov. 18, 1988, 102 Stat. 4234; Pub. L. 102-531, title III, §312(e)(3), Oct. 27, 1992, 106 Stat. 3506.)

REFERENCES IN TEXT

The Occupational Safety and Health Act of 1970, referred to in subsec. (b), is Pub. L. 91-596, Dec. 29, 1970, 84 Stat. 1590, as amended, which is classified principally to chapter 15 (§651 et seq.) of Title 29, Labor. For complete classification of this Act to the Code, see Short Title note set out under section 651 of Title 29 and Tables.

CODIFICATION

Section was enacted as part of the AIDS Amendments of 1988 and as part of the Health Omnibus Programs Extension of 1988, and not as part of the Public Health Service Act which comprises this chapter.

¹ So in original. Probably should be “respect to”.
