

1972—Pub. L. 92-603 authorized the State, at its option, to include within “aid to the permanently and totally disabled” provisions relating to money payments to an individual absent from such State for more than 90 consecutive days, and provisions relating to rent payments made directly to a public housing agency.

1965—Pub. L. 89-97 struck out from definition of “aid to the permanently and totally disabled” the exclusion of payments to or medical care in behalf of any individual who has been diagnosed as having tuberculosis or psychosis and is a patient in a medical institution as a result thereof; and extended definition of “aid to the permanently and totally disabled” to include payments made on behalf of the needy individual to another individual who (as determined in accordance with standards determined by the Secretary) is interested in or concerned with the welfare of such needy individual and enumerated the five characteristics required of state plans under which such payments can be made, including provision for finding of inability to manage funds, payment to meet all needs of the individual, special efforts to protect welfare, periodic review, and opportunity for fair hearing, respectively.

1962—Pub. L. 87-543 inserted “(if provided in or after the third month before the month in which the recipient makes application for aid)” before “medical care”.
