§ 1382i. Medical and social services for certain handicapped persons

(a) Authorization of appropriations for pilot program

There are authorized to be appropriated such sums as may be necessary to establish and carry out a 3-year Federal-State pilot program to provide medical and social services for certain handicapped individuals in accordance with this section.

(b) State allotments

(1) The total sum of \$18,000,000 shall be allotted to the States for such program by the Commissioner of Social Security, during the period beginning September 1, 1981, and ending September 30, 1984, as follows:

(A) The total sum of \$6,000,000 shall be allotted to the States for the fiscal year ending September 30, 1982 (which for purposes of this section shall include the month of September 1981).

(B) The total sum of \$6,000,000, plus any amount remaining available (after the application of paragraph (4)) from the allotment made under subparagraph (A), shall be allotted to the States for the fiscal year ending September 30, 1983.

(C) The total sum of \$6,000,000, plus any amount remaining available (after the application of paragraph (4)) from the allotments made under subparagraphs (A) and (B), shall be allotted to the States for the fiscal year ending September 30, 1984.

(2) The allotment to each State from the total sum allotted under paragraph (1) for any fiscal year shall bear the same ratio to such total sum as the number of individuals in such State who are over age 17 and under age 65 and are receiving supplemental security income benefits as disabled individuals in such year (as determined by the Commissioner of Social Security on the basis of the most recent data available) bears to the total number of such individuals in all the States. For purposes of the preceding sentence, the term "supplemental security income benefits" includes payments made pursuant to an agreement under section 1382e(a) of this title or under section 212(b) of Public Law 93-66.

(3) At the beginning of each fiscal year in which the pilot program under this section is in effect, each State that does not intend to use the allotment to which it is entitled for such year (or any allotment which was made to it for a prior fiscal year), or that does not intend to

use the full amount of any such allotment, shall certify to the Commissioner of Social Security the amount of such allotment which it does not intend to use, and the State's allotment for the fiscal year (or years) involved shall thereupon be reduced by the amount so certified.

(4) The portion of the total amount available for allotment for any particular fiscal year under paragraph (1) which is not allotted to States for that year by reason of paragraph (3) (plus the amount of any reductions made at the beginning of such year in the allotments of States for prior fiscal years under paragraph (3)) shall be reallocated in such manner as the Commissioner of Social Security may determine to be appropriate to States which need, and will use, additional assistance in providing services to severely handicapped individuals in that particular year under their approved plans. Any amount reallocated to a State under this paragraph for use in a particular fiscal year shall be treated for purposes of this section as increasing such State's allotment for that year by an equivalent amount.

(c) Requisite features of State plans

In order to participate in the pilot program and be eligible to receive payments for any period under subsection (d) of this section, a State (during such period) must have a plan, approved by the Commissioner of Social Security as meeting the requirements of this section, which provides medical and social services for severely handicapped individuals whose earnings are above the level which ordinarily demonstrates an ability to engage in substantial gainful activity and who are not receiving benefits under section 1382 or 1382h of this title or assistance under a State plan approved under section 1396a of this title, and which—

(1) declares the intent of the State to participate in the pilot program;

(2) designates an appropriate State agency to administer or supervise the administration of the program in the State;

(3) describes the criteria to be applied by the State in determining the eligibility of any individual for assistance under the plan and in any event requires a determination by the State agency to the effect that (A) such individual's ability to continue his employment would be significantly inhibited without such assistance and (B) such individual's earnings are not sufficient to allow him to provide for himself a reasonable equivalent of the cash and other benefits that would be available to him under this subchapter and subchapters XIX and XX of this chapter in the absence of those earnings;

(4) describes the process by which the eligibility of individuals for such assistance is to be determined (and such process may not involve the performance of functions by any State agency or entity which is engaged in making determinations of disability for purposes of disability insurance or supplemental security income benefits except when the use of a different agency or entity to perform those functions would not be feasible);

(5) describes the medical and social services to be provided under the plan;

(6) describes the manner in which the medical and social services involved are to be provided and, if they are not to be provided through the State's medical assistance and social services programs under subchapters XIX and XX of this chapter (with the Federal payments being made under subsection (d) of this section rather than under those subchapters), specifies the particular mechanisms and procedures to be used in providing such services; and

(7) contains such other provisions as the Commissioner of Social Security may find to be necessary or appropriate to meet the requirements of this section or otherwise carry out its purpose.

(d) Payments to States; computation of payments

(1) From its allotment under subsection (b) of this section for any fiscal year (and any amounts remaining available from allotments made to it for prior fiscal years), the Commissioner of Social Security shall from time to time pay to each State which has a plan approved under subsection (c) of this section an amount equal to 75 per centum of the total sum expended under such plan (including the cost of administration of such plan) in providing medical and social services to severely handicapped individuals who are eligible for such services under the plan.

(2) The method of computing and making payments under this section shall be as follows:

(A) The Commissioner of Social Security shall, prior to each period for which a payment is to be made to a State, estimate the amount to be paid to the State for such period under the provisions of this section.

(B) From the allotment available therefor, the Commissioner of Social Security shall pay the amount so estimated, reduced or increased, as the case may be, by any sum (not previously adjusted under this subsection) by which the Commissioner finds that the Commissioner's estimate of the amount to be paid the State for any prior period under this section was greater or less than the amount which should have been paid to the State for such period under this section.

(e) Rules and regulations

Within nine months after June 9, 1980, the Commissioner of Social Security shall prescribe and publish such regulations as may be necessary or appropriate to carry out the pilot program and otherwise implement this section.

(f) Reports

Each State participating in the pilot program under this section shall from time to time report to the Commissioner of Social Security on the operation and results of such program in that State, with particular emphasis upon the work incentive effects of the program. On or before October 1, 1983, the Commissioner of Social Security shall submit to the Congress a report on the program, incorporating the information contained in the State reports along with the Commissioner's findings and recommendations.

§ 1382j. Attribution of sponsor’s income and resources to aliens

(a) Attribution as unearned income

For purposes of determining eligibility for and the amount of benefits under this subchapter for an individual who is an alien, the income and resources of any person who (as a sponsor of such individual’s entry into the United States) executed an affidavit of support or similar agreement with respect to such individual, and the income and resources of the sponsor’s spouse, shall be deemed to be the income and resources of such individual (in accordance with subsections (b) and (c) of this section) for a period of 3 years after the individual’s entry into the United States. Any such income deemed to be income of such individual shall be treated as unearned income of such individual.

(b) Determination of amount and resources

(1) The amount of income of a sponsor (and his spouse) which shall be deemed to be the unearned income of an alien for any year shall be determined as follows:

(A) The total yearly rate of earned and unearned income (as determined under section 1382a(a) of this title) of such sponsor and such sponsor’s spouse (if such spouse is living with the sponsor) shall be determined for such year.

(B) The amount determined under subparagraph (A) shall be reduced by an amount equal to (i) the maximum amount of the Federal benefit under this subchapter for such year which would be payable to an eligible individual who has no other income and who does not have an eligible spouse (as determined under section 1382(b)(1) of this title), plus (ii) one-half of the amount determined under clause (i) multiplied by the number of individuals who

are dependents of such sponsor (or such sponsor’s spouse if such spouse is living with the sponsor), other than such alien and such alien’s spouse.

(C) The amount of income which shall be deemed to be unearned income of such alien shall be at a yearly rate equal to the amount determined under subparagraph (B). The period for determination of such amount shall be the same as the period for determination of benefits under section 1382(c) of this title.

(2) The amount of resources of a sponsor (and his spouse) which shall be deemed to be the resources of an alien for any year shall be determined as follows:

(A) The total amount of the resources (as determined under section 1382b of this title) of such sponsor and such sponsor’s spouse (if such spouse is living with the sponsor) shall be determined.

(B) The amount determined under subparagraph (A) shall be reduced by an amount equal to (i) the applicable amount determined under section 1382(a)(3)(B) of this title in the case of a sponsor who has no spouse with whom he is living, or (ii) the applicable amount determined under section 1382(a)(3)(A) of this title in the case of a sponsor who has a spouse with whom he is living.

(C) The resources of such sponsor (and spouse) as determined under subparagraphs (A) and (B) shall be deemed to be resources of such alien in addition to any resources of such alien.

(c) Support and maintenance

In determining the amount of income of an alien during the period of 3 years after such alien’s entry into the United States, the reduction in dollar amounts otherwise required under section 1382a(a)(2)(A)(i) of this title shall not be applicable if such alien is living in the household of a person who is a sponsor (or such sponsor’s spouse) of such alien, and is receiving support and maintenance in kind from such sponsor (or spouse), nor shall support or maintenance furnished in cash or kind to an alien by such alien’s sponsor (to the extent that it reflects income or resources which were taken into account in determining the amount of income and resources to be deemed to the alien under subsection (a) or (b) of this section) be considered to be income of such alien under section 1382a(a)(2)(A) of this title.

(d) Information and documentation; agreements with Secretary of State and Attorney General

(1) Any individual who is an alien shall, during the period of 3 years after entry into the United States, in order to be an eligible individual or eligible spouse for purposes of this subchapter, be required to provide to the Commissioner of Social Security such information and documentation with respect to his sponsor as may be necessary in order for the Commissioner of Social Security to make any determination required under this section, and to obtain any cooperation from such sponsor necessary for any such determination. Such alien shall also be required to provide to the Commissioner of Social Security such information and documentation
