§ 1392. Availability of funds during certain fiscal years; limitation on amount; utilization of grant

The sums appropriated pursuant to the first sentence of section 1391 of this title shall be available for grants to States by the Secretary during the fiscal year ending June 30, 1964, and the succeeding fiscal year; and the sums appropriated pursuant to the second sentence of such section for the fiscal year ending June 30, 1966, shall be available for such grants during such year and the next two fiscal years, and sums appropriated pursuant thereto for the fiscal year ending June 30, 1967, shall be available for such grants during such year and the succeeding fiscal year. § 1395a. Free choice by patient guaranteed

(a) Basic freedom of choice

Any individual entitled to insurance benefits under this subchapter may obtain health services from any institution, agency, or person qualified to participate under this subchapter if such institution, agency, or person undertakes to provide him such services.

(b) Use of private contracts by medicare beneficiaries

(1) In general

Subject to the provisions of this subsection, nothing in this subchapter shall prohibit a physician or practitioner from entering into a private contract with a medicare beneficiary for any item or service—

(A) for which no claim for payment is to be submitted under this subchapter, and

(B) for which the physician or practitioner receives—

(i) no reimbursement under this subchapter directly or on a capitated basis, and

(ii) receives no amount for such item or service from an organization which receives reimbursement for such item or service under this subchapter directly or on a capitated basis.

(2) Beneficiary protections

(A) In general

Paragraph (1) shall not apply to any contract unless—

Such contract shall also clearly indicate whether the physician or practitioner is excluded from participation under the medicare program under section 1320a-7 of this title.
