(a) If the Secretary or a court of appropriate jurisdiction determines that any manufactured home does not conform to applicable Federal manufactured home construction and safety standards, or that it contains a defect which constitutes an imminent safety hazard, after the sale of such manufactured home by a manufacturer to a distributor or a retailer and prior to the sale of such manufactured home by such distributor or retailer to a purchaser—

(1) the manufacturer shall immediately repurchase such manufactured home from such distributor or retailer at the price paid by such distributor or retailer, plus all transportation charges involved and a reasonable reimbursement of not less than 1 per centum per month of such price paid prorated from the date of receipt by certified mail of notice of such nonconformance to the date of repurchase by the manufacturer; or

(2) the manufacturer, at his own expense, shall immediately furnish the purchasing distributor or retailer the required conforming part or parts or equipment for installation by the distributor or retailer on or in such manufactured home, and for the installation involved the manufacturer shall reimburse such distributor or retailer for the reasonable value of such installation plus a reasonable reimbursement of not less than 1 per centum per month of the manufacturer's or distributor's selling price prorated from the date of receipt by certified mail of notice of such nonconformance to the date such vehicle is brought into conformance with applicable Federal standards, so long as the distributor or retailer proceeds with reasonable diligence with the installation after the required part or equipment is received.

The value of such reasonable reimbursements as specified in paragraphs (1) and (2) of this subsection shall be fixed by mutual agreement of the parties, or, failing such agreement, by the court pursuant to the provisions of subsection (b) of this section.
