

“(1) The following provisions of this paragraph apply to determinations of the rent to be paid by or the contribution required of a tenant occupying housing assisted under the authorities amended by this section [amending this section] or subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981 [amending sections 1437 to 1437d, 1437f, 1437g, 1437i, 1437j, and 1437l of this title and sections 1701s and 1715z-1 of Title 12, Banks and Banking, and repealing provisions set out as notes under this section and section 1701s of Title 12] (hereinafter referred to as ‘assisted housing’) on or before the effective date of regulations implementing this section:

“(A) Notwithstanding any other provision of this section or subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981, the Secretary of Housing and Urban Development (hereinafter referred to as the ‘Secretary’) may provide for delayed applicability, or for staged implementation, of the procedures for determining rents or contributions, as appropriate, required by such provisions if the Secretary determines that immediate application of such procedures would be impracticable, would violate the terms of existing leases, or would result in extraordinary hardship for any class of tenants.

“(B) The Secretary shall provide that the rent or contribution, as appropriate, required to be paid by a tenant shall not increase as a result of the amendments made by this section and subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981, and as a result of any other provision of Federal law or regulation, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such amendments, law, or regulation.

“(2) Tenants of assisted housing other than those referred to in paragraph (1) shall be subject to immediate rent payment or contribution determinations in accordance with applicable law and without regard to the provisions of paragraph (1), but the Secretary shall provide that the rent or contribution payable by any such tenant who is occupying assisted housing on the effective date of any provision of Federal law or regulation shall not increase, as a result of any such provision of Federal law or regulation, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such law or regulation.

“(3) In the case of tenants receiving rental assistance under section 521(a)(1) of the Housing Act of 1949 [section 1490a(a)(1) of this title] on the effective date of this section [Nov. 30, 1983] whose assistance is converted to assistance under section 8 of the United States Housing Act of 1937 [section 1437f of this title] on or after such date, the Secretary shall provide that the rent or contribution payable by any such tenant shall not increase, as a result of such conversion, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such conversion or to any provision of Federal law or regulation.

“(4)(A) Notwithstanding any other provision of law, in the case of the conversion of any assistance under section 101 of the Housing and Urban Development Act of 1965 [12 U.S.C. 1701s], section 236(f)(2) of the National Housing Act [12 U.S.C. 1715z-1(f)(2)], or section 23 of the United States Housing Act of 1937 [section 1421b of this title] (as in effect before the date of the enactment of the Housing and Community Development Act of 1974 [Aug. 22, 1974]) to assistance under section 8 of the United States Housing Act of 1937, any increase in rent payments or contributions resulting from such conversion, and from the amendments made by this section of any tenant benefiting from such assistance who is sixty-two years of age or older may not exceed 10 per centum per annum.

“(B) In the case of any such conversion of assistance occurring on or after October 1, 1981, and before the

date of the enactment of this section [Nov. 30, 1983], the rental payments due after such date of enactment by any tenant benefiting from such assistance who was sixty-two years of age or older on the date of such conversion shall be computed as if the tenant’s rental payment or contribution had, on the date of conversion, been the lesser of the actual rental payment or contribution required, or 25 per centum of the tenant’s income.

“(5) The limitations on increases in rent contained in paragraphs (1)(B), (2), (3), and (4) shall remain in effect and may not be changed or superseded except by another provision of law which amends this subsection.

“(6) As used in this subsection, the term ‘contribution’ means an amount representing 30 per centum of a tenant’s monthly adjusted income, 10 per centum of the tenant’s monthly income, or the designated amount of welfare assistance, whichever amount is used to determine the monthly assistance payment for the tenant under section 3(a) of the United States Housing Act of 1937 [subsec. (a) of this section].

“(7) The provisions of subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981 shall be implemented and fully applicable to all affected tenants no later than five years following the date of enactment of such amendments [Aug. 13, 1981], except that the Secretary may extend the time for implementation if the Secretary determines that full implementation would result in extraordinary hardship for any class of tenants.”

Prior provisions for determining rent payable by tenants occupying assisted housing under and authorizing delayed application or staged implementation of provisions amended by section 322 of Pub. L. 97-35 were contained in Pub. L. 97-35, title III, §322(i), Aug. 13, 1981, 95 Stat. 404, which was repealed by Pub. L. 98-181, title II, §206(e), Nov. 30, 1983, 97 Stat. 1181.

**§ 1437b. Loans and commitments to make loans for low-income housing projects**

**(a) Authority of Secretary; interest rates; repayment date; use as security for obligations of public housing agency**

The Secretary may make loans or commitments to make loans to public housing agencies to help finance or refinance the development, acquisition, or operation of low-income housing projects by such agencies. Any contract for such loans and any amendment to a contract for such loans shall provide that such loans shall bear interest at a rate specified by the Secretary which shall not be less than a rate determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, plus one-eighth of 1 per centum. Such loans shall be secured in such manner and shall be repaid within such period not exceeding forty years, or not exceeding forty years from the date of the bonds evidencing the loan, as the Secretary may determine. The Secretary may require loans or commitments to make loans under this section to be pledged as security for obligations issued by a public housing agency in connection with a low-income housing project.

**(b) Issuance of obligations by Secretary; limitation on amounts; forms and denominations; terms and conditions; purchase, establishment of maturities and rates of interest, and sale by Secretary of the Treasury**

The Secretary may issue and have outstanding at any one time notes and other obligations for purchase by the Secretary of the Treasury in an amount which will not, unless authorized by the President, exceed \$1,500,000,000. For the purpose of determining obligations incurred to make loans pursuant to this chapter against any limitation otherwise applicable with respect to such loans, the Secretary shall estimate the maximum amount to be loaned at any one time pursuant to loan agreements then outstanding with public housing agencies. Such notes or other obligations shall be in such forms and denominations and shall be subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. The notes or other obligations issued under this subsection shall have such maturities and bear such rate or rates of interest as shall be determined by the Secretary of the Treasury. The Secretary of the Treasury is authorized and directed to purchase any notes or other obligations of the Secretary issued hereunder and for such purpose is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31, and the purposes for which securities may be issued under such chapter are extended to include any purchases of such obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this section. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States.

**(c) Public and Indian housing financing reforms**

(1) At such times as the Secretary may determine, and in accordance with such accounting and other procedures as the Secretary may prescribe, each loan made by the Secretary under subsection (a) of this section that has any principal amount outstanding or any interest amount outstanding or accrued shall be forgiven; and the terms and conditions of any contract, or any amendment to a contract, for such loan with respect to any promise to repay such principal and interest shall be canceled. Such cancellation shall not affect any other terms and conditions of such contract, which shall remain in effect as if the cancellation had not occurred. This paragraph shall not apply to any loan the repayment of which was not to be made using annual contributions, or to any loan all or part of the proceeds of which are due a public housing agency from contractors or others.

(2)(A) On April 7, 1986, each note or other obligation issued by the Secretary to the Secretary of the Treasury pursuant to subsection (b) of this section, together with any promise to repay the principal and unpaid interest that has accrued on each note or obligation, shall be forgiven; and any other term or condition specified by each such obligation shall be canceled.

(B) On September 30, 1986, and on any subsequent September 30, each such note or other obligation issued by the Secretary to the Secretary of the Treasury pursuant to subsection (b) of this section during the fiscal year ending on such date, together with any promise to repay the principal and unpaid interest that has accrued on each note or obligation, shall be forgiven; and any other term or condition specified by each such obligation shall be canceled.

(3) Any amount of budget authority (and contract authority) that becomes available during any fiscal year as a result of the forgiveness of any loan, note, or obligation under this subsection shall be rescinded.
