CODIFICATION

Section was enacted as part of the Department of Energy Act of 1978—Civilian Applications, and not as part of the Department of Energy Organization Act which comprises this chapter.

§ 7136. Economic Regulatory Administration; appointment of Administrator; compensation; qualifications; functions

(a) There shall be within the Department an Economic Regulatory Administration to be headed by an Administrator, who shall be appointed by the President, by and with the advice and consent of the Senate, and who shall be compensated at a rate provided for level IV of the Executive Schedule under section 5315 of title 5. Such Administrator shall be, by demonstrated ability, background, training, or experience, an individual who is specially qualified to assess fairly the needs and concerns of all interests affected by Federal energy policy. The Secretary shall by rule provide for a separation of regulatory and enforcement functions assigned to, or vested in, the Administration.

(b) Consistent with the provisions of subchapter IV of this chapter, the Secretary shall utilize the Economic Regulatory Administration to administer such functions as he may consider appropriate.

(Pub. L. 95-91, title II, §206, Aug. 4, 1977, 91 Stat. 574.)

§ 7137. Functions of Comptroller General

The functions of the Comptroller General of the United States under section 771 of title 15 shall apply with respect to the monitoring and evaluation of all functions and activities of the Department under this chapter or any other Act administered by the Department.
