

competitively procured, external PMO services for those construction projects would permit the Department to control excessive costs and schedule delays associated with those construction projects that have large capital costs.

“(b) **PROJECTS COVERED BY PROGRAM.**—(1) Subject to paragraph (2), the Secretary shall carry out the pilot program at construction projects selected by the Secretary. The projects shall include one or more construction projects authorized pursuant to section 3101 [113 Stat. 915] and one construction project authorized pursuant to section 3102 [113 Stat. 917].

“(2) Each project selected by the Secretary shall be a project having capital construction costs anticipated to be not less than \$25,000,000.

“(c) **SERVICES UNDER PROGRAM.**—The PMO services used under the pilot program shall include the following services:

“(1) Monitoring the overall progress of a project.

“(2) Determining whether or not a project is on schedule.

“(3) Determining whether or not a project is within budget.

“(4) Determining whether or not a project conforms with plans and specifications approved by the Department.

“(5) Determining whether or not a project is being carried out efficiently and effectively.

“(6) Any other management oversight services that the Secretary considers appropriate for purposes of the pilot program.

“(d) **PROCUREMENT OF SERVICES UNDER PROGRAM.**—Any PMO services procured under the pilot program shall be acquired—

“(1) on a competitive basis; and

“(2) from among commercial entities that—

“(A) do not currently manage or operate facilities at a location where the pilot program is being conducted; and

“(B) have an expertise in the management of large construction projects.

“(e) **REPORT.**—Not later than February 1, 2000, the Secretary shall submit to the Committees on Armed Services of the Senate and the House of Representatives a report on the pilot program. The report shall include the assessment of the Secretary as to the feasibility and desirability of using PMO services for construction projects of the Department.”

LABORATORY FUNDING PLAN

Pub. L. 106-60, title III, §310, Sept. 29, 1999, 113 Stat. 496, which provided that no funds in an Energy and Water Development Appropriations Act were to be expended after December 31 of each year under certain contracts unless the funds were expended pursuant to a Laboratory Funding Plan approved by the Secretary of Energy, and which also provided for directives, approval, and exceptions by the Secretary, was repealed by Pub. L. 108-7, div. D, title III, §310, Feb. 20, 2003, 117 Stat. 155.

TERMINATION OR CHANGES IN ACTIVITIES OF GOVERNMENT-OWNED AND CONTRACTOR-OPERATED FACILITIES, NATIONAL LABORATORIES, ETC.; REPORTS BY SECRETARY OF ENERGY CONCERNING PROPOSALS PRIOR TO IMPLEMENTATION; CONTENTS; SUBMISSION DATE

Pub. L. 95-238, title I, §104(c), Feb. 25, 1978, 92 Stat. 53, provided that: “As part of the Department of Energy’s responsibility to keep the Congress fully and currently informed, the Secretary shall make the following reports:

“(i) any proposal by the Secretary of the Department of Energy to terminate or make major changes in activities of the Government-owned and contractor-operated facilities, the national laboratories, energy research centers and the operations offices managing such laboratories, shall not be implemented until the Secretary transmits the proposal, together with all pertinent data, to the Committee on Science

and Technology [now Committee on Science, Space, and Technology] of the House of Representatives and the Committee on Energy and Natural Resources of the Senate, and waits a period of thirty calendar days (not including any day on which either House of Congress is not in session because of an adjournment of more than three calendar days to a day certain) from the date on which such report is received by such committees; and

“(ii) by January 31, 1978, the Secretary shall file a full and complete report on each such proposal which he has implemented, as described in the preceding paragraph, and any major program structure change with the Committee on Science and Technology [now Committee on Science, Space, and Technology] of the House of Representatives and the Committee on Energy and Natural Resources of the Senate.”

§ 7257d. Expanded research by Secretary of Energy

(a) Detection and identification research

(1) In general

In conjunction with the working group under section 247d-6(a) of this title, the Secretary of Energy and the Administrator of the National Nuclear Security Administration shall expand, enhance, and intensify research relevant to the rapid detection and identification of pathogens likely to be used in a bioterrorism attack or other agents that may cause a public health emergency.

(2) Authorized activities

Activities carried out under paragraph (1) may include—

(A) the improvement of methods for detecting biological agents or toxins of potential use in a biological attack and the testing of such methods under variable conditions;

(B) the improvement or pursuit of methods for testing, verifying, and calibrating new detection and surveillance tools and techniques; and

(C) carrying out other research activities in relevant areas.

(3) Report

Not later than 180 days after June 12, 2002, the Administrator of the National Nuclear Security Administration shall submit to the Committee on Energy and Natural Resources and the Committee on Armed Services of the Senate, and the Committee on Energy and Commerce and the Committee on Armed Services of the House of Representatives, a report setting forth the programs and projects that will be funded prior to the obligation of funds appropriated under subsection (b) of this section.

(b) Authorization

For the purpose of carrying out this section, there are authorized to be appropriated such sums as may be necessary in each of fiscal years 2002 through 2006.

(Pub. L. 107-188, title I, §152, June 12, 2002, 116 Stat. 630.)

CODIFICATION

Section was enacted as part of the Public Health Security and Bioterrorism Preparedness and Response Act of 2002, and not as part of the Department of Energy Organization Act which comprises this chapter.

§ 7258. Facilities construction

(a) Employees and dependents stationed at remote locations

As necessary and when not otherwise available, the Secretary is authorized to provide for, construct, or maintain the following for employees and their dependents stationed at remote locations:

- (1) Emergency medical services and supplies;
- (2) Food and other subsistence supplies;
- (3) Messing facilities;
- (4) Audio-visual equipment, accessories, and supplies for recreation and training;
- (5) Reimbursement for food, clothing, medicine, and other supplies furnished by such employees in emergencies for the temporary relief of distressed persons;
- (6) Living and working quarters and facilities; and
- (7) Transportation of schoolage dependents of employees to the nearest appropriate educational facilities.

(b) Medical treatment at reasonable prices

The furnishing of medical treatment under paragraph (1) of subsection (a) of this section and the furnishing of services and supplies under paragraphs (2) and (3) of subsection (a) of this section shall be at prices reflecting reasonable value as determined by the Secretary.

(c) Use of reimbursement proceeds

Proceeds from reimbursements under this section shall be deposited in the Treasury and may be withdrawn by the Secretary to pay directly the cost of such work or services, to repay or make advances to appropriations of funds which

will initially bear all or a part of such cost, or to refund excess sums when necessary. Such payments may be credited to a working capital fund otherwise established by law, including the fund established pursuant to section 7263 of this title, and used under the law governing such fund, if the fund is available for use by the Department for performing the work or services for which payment is received.

(Pub. L. 95-91, title VI, §648, Aug. 4, 1977, 91 Stat. 600.)

§ 7259. Use of facilities

(a) Facilities of United States and foreign governments

With their consent, the Secretary and the Federal Energy Regulatory Commission may, with or without reimbursement, use the research, equipment, and facilities of any agency or instrumentality of the United States or of any State, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or possession of the United States, or of any political subdivision thereof, or of any foreign government, in carrying out any function now or hereafter vested in the Secretary or the Commission.

(b) Facilities under custody of Secretary

In carrying out his functions, the Secretary, under such terms, at such rates, and for such periods not exceeding five years, as he may deem to be in the public interest, is authorized to permit the use by public and private agencies, corporations, associations, or other organizations or by individuals of any real property, or any facility, structure, or other improvement thereon, under the custody of the Secretary for Department purposes. The Secretary may require permittees under this section to recondition and maintain, at their own expense, the real property, facilities, structures, and improvements involved to a satisfactory standard. This section shall not apply to excess property as defined in section 102(3) of title 40.

(c) Use of reimbursement proceeds

Proceeds from reimbursements under this section shall be deposited in the Treasury and may be withdrawn by the Secretary or the head of the agency or instrumentality of the United States involved, as the case may be, to pay directly the costs of the equipment, or facilities provided, to repay or make advances to appropriations or funds which do or will initially bear all or a part of such costs, or to refund excess sums when necessary, except that such proceeds may be credited to a working capital fund otherwise established by law, including the fund established pursuant to section 7263 of this title, and used under the law governing such fund, if the fund is available for use for providing the equipment or facilities involved.

(Pub. L. 95-91, title VI, §649, Aug. 4, 1977, 91 Stat. 600.)

CODIFICATION

In subsec. (b), “section 102(3) of title 40” substituted for “section 3(e) of the Federal Property and Administrative Services Act of 1949” on authority of Pub. L. 107-217, §5(c), Aug. 21, 2002, 116 Stat. 1303, the first section of which enacted Title 40, Public Buildings, Property, and Works.
