

special drawing right. Third, it recognizes that under some modern financing practices an instrument may not have a date of maturity. The requirement for supplying the date of maturity has been eliminated.

Section 31321(c) provides that if an instrument filed involves a vessel that has not yet been documented, and the Secretary decides that the vessel cannot be documented by the applicant, then the Secretary shall send notice of that denial to the parties, including the reasons for the Secretary's decision. If the parties have not corrected the deficiencies within 90 days, the Secretary may terminate the filing and return the instruments. This invalidates the instruments.

Section 31321(d) prohibits a person from withdrawing an application for documentation of a vessel for which a mortgage has been filed unless the mortgagee consents. Since the withdrawal will invalidate the mortgage, the mortgagee should be allowed to prohibit the withdrawal.

Section 31321(e) makes a substantive change to law. It requires the Secretary to record instruments in the order they are received for filing, not in the order in which they were received for recording. It also makes a substantive change by eliminating the specific indexes required under the law and substituting a general requirement for the Secretary to maintain indexes of instruments filed or recorded, or both, for use by the public. These indexes, prescribed by regulations, must be in keeping with U.S. obligations under treaties to which the United States is a party. Since section 104 [105] of this Act makes the existing rules and regulations applicable under this subsection, the current indexing system will be maintained that includes the names of the vessels; names of the parties to the instruments; time and date each instrument was received; the interest in the vessel that was sold, conveyed, mortgaged, or assigned; and the date of the maturity of the mortgage, if any. However, it allows the Secretary by regulation to automate the system with computers, as long as the new system provides the public with an adequate method of finding and examining these public records.

Section 31321(f) makes a substantive change to law by eliminating the requirement that a partial discharge of indebtedness be filed with the Secretary. The bill requires that on the full and final discharge of indebtedness the mortgagee, on request of the Secretary or mortgagor, shall provide the Secretary with a written, acknowledged certificate of discharge of the indebtedness. This subsection also makes a substantive change by requiring that the mortgagee, not the mortgagor, provide the certificate of discharge. The Secretary shall then record the certificate. However, this does not prohibit a person from submitting a certificate of discharge under subsection (a) since it is a related instrument. This subsection also makes a substantive change to law by eliminating the requirement that the discharge be endorsed on the vessel's certificate of documentation, and that the Customs Service only may clear a vessel after an endorsement has been made. This change is made because of the elimination of endorsements under section 31322.

#### HOUSE FLOOR STATEMENT

Section 31321 has been changed to clarify that a mortgage, whenever made, must be filed to be valid against third parties. This clarification allows mortgage closings to occur previous to filing of an instrument, and to eliminate the need for a fictional simultaneous closing and filing.

Subsection (g) clarifies that if an application for documentation is filed for a vessel covered by a preferred mortgage under section 31322(d) (as enacted by this Act), the preferred mortgage must be filed with the Secretary at the same time the application for documentation is filed to be valid against third parties. If the preferred mortgage is filed with the Secretary at the time the documentation application is filed, it is valid from the time it became a preferred mortgage under section 31322(d).

When a State preferred mortgage under section 31322(d) is finally discharged, subsection (h) of this section requires the mortgagee to provide upon request to the Secretary or a State, whichever is more appropriate, an acknowledged certificate of discharge of indebtedness. This is necessary when a vessel in the system moves from a participating titling State and is not retitled in another participating State. In this case, there is no way to update the status of the indebtedness through the original titling State. The Secretary is required to accept this information to be maintained in the vessel identification system under section 12503(c) of title 46 (as enacted by this Act).

#### AMENDMENTS

2010—Subsec. (a)(1). Pub. L. 111-281 struck out “of Transportation” after “Secretary” in introductory provisions.

2002—Subsec. (a)(4) Pub. L. 107-295 struck out subpar. (A) designation before “A bill of sale” and subpar. (B) which read as follows: “A filing made electronically under subparagraph (A) shall not be effective after the 10-day period beginning on the date of the filing unless the original instrument is provided to the Secretary within that 10-day period.”

1996—Subsec. (a). Pub. L. 104-324 added par. (4).

1989—Subsec. (c). Pub. L. 101-225 substituted “for which an application for documentation is filed” for “that has not yet been documented” in introductory provisions and “interested party to” for “party whose name and address is stated on” in par. (1).

#### EFFECTIVE DATE

Section effective Jan. 1, 1989, not to affect any civil action filed before that date, and, insofar as applicable to vessels for which an application for documentation has been filed, effective Jan. 1, 1990, with further provision for an instrument filed before Jan. 1, 1989, but not recorded before that date, and with other qualifications, see section 107 of Pub. L. 100-710, set out as a note under section 31301 of this title.

(2) is filed in substantial compliance with section 31321 of this title;

(3)(A) covers a documented vessel; or

(B) covers a vessel for which an application for documentation is filed that is in substantial compliance with the requirements of chapter 121 of this title and the regulations prescribed under that chapter; and

(4) with respect to a vessel with a fishery endorsement that is 100 feet or greater in registered length, has as the mortgagee—

(A) a person eligible to own a vessel with a fishery endorsement under section 12113(c) of this title;

(B) a state<sup>1</sup> or federally chartered financial institution that is insured by the Federal Deposit Insurance Corporation;

(C) a farm credit lender established under title 12, chapter 23 of the United States Code;

(D) a commercial fishing and agriculture bank established pursuant to State law;

(E) a commercial lender organized under the laws of the United States or of a State and eligible to own a vessel for purposes of documentation under section 12103 of this title; or

<sup>1</sup> So in original. Probably should be capitalized.

(F) a mortgage trustee under subsection (f) of this section.

(b) Any indebtedness secured by a preferred mortgage that is filed or recorded under this chapter, or that is subject to a mortgage, security agreement, or instruments granting a security interest that is deemed to be a preferred mortgage under subsection (d) of this section, may have any rate of interest to which the parties agree.

(c)(1) If a preferred mortgage includes more than one vessel or property that is not a vessel, the mortgage may provide for the separate discharge of each vessel and all property not a vessel by the payment of a part of the mortgage indebtedness.

(2) If a vessel covered by a preferred mortgage that includes more than one vessel or property that is not a vessel is to be sold on the order of a district court in a civil action in rem, and the mortgage does not provide for separate discharge as provided under paragraph (1) of this subsection—

(A) the mortgage constitutes a lien on that vessel in the full amount of the outstanding mortgage indebtedness; and

(B) an allocation of mortgage indebtedness for purposes of separate discharge may not be made among the vessel and other property covered by the mortgage.

(d)(1) A mortgage, security agreement, or instrument granting a security interest perfected under State law covering the whole of a vessel titled in a State is deemed to be a preferred mortgage if—

(A) the Secretary certifies that the State titling system complies with the Secretary's guidelines for a titling system under section 13107(b)(8) of this title; and

(B) information on the vessel covered by the mortgage, security agreement, or instrument is made available to the Secretary under chapter 125 of this title.

(2) This subsection applies to mortgages, security agreements, or instruments covering vessels titled in a State after—

(A) the Secretary's certification under paragraph (1)(A) of this subsection; and

(B) the State begins making information available to the Secretary under chapter 125 of this title.

(3) A preferred mortgage under this subsection continues to be a preferred mortgage even if the vessel is no longer titled in the State where the mortgage, security agreement, or instrument granting a security interest became a preferred mortgage under this subsection.

(e) If a vessel is already covered by a preferred mortgage when an application for titling or documentation is filed—

(1) the status of the preferred mortgage covering the vessel to be titled in the State is determined by the law of the jurisdiction where the vessel is currently titled or documented; and

(2) the status of the preferred mortgage covering the vessel to be documented under chapter 121 is determined by subsection (a) of this section.

(f)(1) A mortgage trustee may hold in trust, for an individual or entity, an instrument or evidence of indebtedness, secured by a mortgage of the vessel to the mortgage trustee, provided that the mortgage trustee—

(A) is eligible to be a preferred mortgagee under subsection (a)(4), subparagraphs (A)–(E) of this section;

(B) is organized as a corporation, and is doing business, under the laws of the United States or of a State;

(C) is authorized under those laws to exercise corporate trust powers;

(D) is subject to supervision or examination by an official of the United States Government or a State;

(E) has a combined capital and surplus (as stated in its most recent published report of condition) of at least \$3,000,000; and

(F) meets any other requirements prescribed by the Secretary.

(2) If the beneficiary under the trust arrangement is not a commercial lender, a lender syndicate or eligible to be a preferred mortgagee under subsection (a)(4), subparagraphs (A)–(E) of this section, the Secretary must determine that the issuance, assignment, transfer, or trust arrangement does not result in an impermissible transfer of control of the vessel to a person not eligible to own a vessel with a fishery endorsement under section 12113(c) of this title.

(3) A vessel with a fishery endorsement may be operated by a mortgage trustee only with the approval of the Secretary.

(4) A right under a mortgage of a vessel with a fishery endorsement may be issued, assigned, or transferred to a person not eligible to be a mortgagee of that vessel under this section only with the approval of the Secretary.

(5) The issuance, assignment, or transfer of an instrument or evidence of indebtedness contrary to this subsection is voidable by the Secretary.

(g) For purposes of this section a "commercial lender" means an entity primarily engaged in the business of lending and other financing transactions with a loan portfolio in excess of \$100,000,000, of which not more than 50 per centum in dollar amount consists of loans to borrowers in the commercial fishing industry, as certified to the Secretary by such lender.

(h) For purposes of this section a "lender syndicate" means an arrangement established for the combined extension of credit of not less than \$20,000,000 made up of four or more entities that each have a beneficial interest, held through an agent, under a trust arrangement established pursuant to subsection (f), no one of which may exercise powers thereunder without the concurrence of at least one other unaffiliated beneficiary.

Section 31322 sets out the conditions that must be met for a mortgage to be considered a preferred mortgage, and the types of endorsements that the Secretary must make on any certificate of documentation of a vessel that is to be covered by a preferred mortgage.

Subsection (a)(1) makes many substantive changes to law. While a preferred mortgage must still include the whole of a vessel, this subsection eliminates the exception of certain vessels under 25 gross tons. It allows a vessel for which an application for documentation has been filed to have a preferred mortgage. It allows a mortgage to be a preferred mortgage from the time all four conditions are met, rather than from when the vessel is finally documented. Therefore, a mortgage will usually attain its preferred status when the application for documentation and the instrument have been filed. This subsection changes the requirement that all documented vessels have as a mortgagee a person that is a citizen of the United States, as defined in section 2 of the Shipping Act, 1916, and allows a State, the United States Government, a federally insured depository institution, or any other person approved by the Secretary to be a mortgagee.

Subsection (a)(2) makes a substantive change to law exempting fishing, fish processing, and fish tender vessels, and vessels operated only for pleasure from the mortgagee restrictions, since these vessels do not have significant national defense use.

Subsection (b) permits a preferred mortgage to have any rate of interest that is agreeable to the parties to the mortgage. This subsection makes no substantive change to law.

Subsection (c)(1) applies to a mortgage that covers more than one vessel or additional property that is not a vessel. This subsection allows a preferred mortgage to include a separate discharge of the additional vessels and property.

Subsection (c)(2) applies when a preferred mortgage covers more than one vessel, does not provide for the separate discharge of a vessel, and is to be sold by court order. The amount of the mortgage indebtedness attributable to a vessel is that part of the indebtedness, increased by 20 percent, that the court determines approximates the value that the particular vessel bears to the value of all the vessels and property covered by the mortgage. In other words, the amount to be set by the court is the estimated value of the one vessel plus 20 percent of that value to assure sufficiency of collateral.

This section also makes a substantive change by eliminating the requirement that a vessel's certificate of documentation be endorsed with information from the mortgage. This change is made since most of the information is out of date when examined, and since a mortgage must be carried on self-propelled vessels under section 31324(b). This section also eliminates the requirement for the inclusion of an affidavit of good faith. However, both criminal and civil penalties have been added [in section 31330] to help ensure that there is not fraud. This section also eliminates the requirement that a preferred mortgage include a separate discharge for additional property that is not a vessel, the requirement that the mortgage does not stipulate that the mortgagee waives the mortgage's preferred status; and the requirement for clearing vessels with endorsed documents through Customs.

HOUSE FLOOR STATEMENT

Under section 31322(a)(2) a "vessel operated only for pleasure" is exempt from any restrictions on who can be a mortgagee. This standard is the same as used for the documentation of a recreational vessel under sec-

tion 12109 of title 46. The Committee intends that vessels that have a recreational vessel license, or combined fisheries and recreational license, fall under this exemption. However, if the vessel has a Coastwise License, Great Lakes License, or Registry combined with a Recreational License, the vessel would not fall under this exemption.

Under subsection (c)(2), if a vessel covered by a preferred mortgage that includes more than one vessel or property that is not a vessel is to be sold on the order of a district court *in rem*, and there is not a separate discharge, then the mortgage constitutes a lien on that vessel in the full amount of the outstanding mortgage indebtedness, and an allocation of mortgage indebtedness for purposes of a separate discharge may not be made. This change is made to eliminate the formula that did not work and to allow the vessel to be sold free and clear, regardless of the amount of the sale.

Under subsection (d) of section 31322, a mortgage or other instrument representing financing of a vessel under State law that is made under applicable State law and covers the whole of a vessel titled in a State is deemed to be a preferred mortgage if two conditions are fulfilled. The first condition is that the Secretary must certify that the State in which the vessel is titled has a titling system that complies with the Secretary's vessel titling guidelines established under section 13106(b)(8) of title 46. Congress mandated the promulgation of these guidelines in the Recreational Boating Safety Act of 1986, Public Law 99-626. The second condition is that the State in which the vessel is titled must make information available to the Secretary for the vessel identification system established under chapter 125 of title 46 (as enacted by this Act) on the vessel covered by the mortgage or other instrument. This status only applies to vessels titled in the State after those two conditions are met. The phrase "instrument representing financing of a vessel under State law" is used in addition to "mortgage" because State laws do not always use the term mortgage when referring to financing. It is intended, however, that the financing covered by this phrase would be the same as that covered by the concept of a mortgage under other Federal law.

Paragraph (2) of subsection (d) clarifies that mortgages or other financing instruments may obtain preferred status under subsection (d) if they cover vessels titled in a State after the Secretary certifies the compliance of the State's titling system, and the State begins making vessel identification information available to the Secretary. Preferred mortgage status can only be attained when these two conditions are in effect. Mortgages or financing instruments made prior to that are not preferred and, if these two conditions cease to exist, new mortgages or financing instruments made after that time cannot attain preferred status.

The law of the titling State controls the making of the preferred mortgage or financing instrument under this subsection. No additional Federal recording requirements may be imposed for the mortgage or instrument to obtain preferred status under this subsection.

Paragraph (3) of this subsection ensures that a preferred mortgage under this subsection retains that status if the vessel covered by the mortgage later relinquishes its title. If the vessel is subsequently documented, the continuing validity of the mortgage is determined by section 31321(g) (as enacted by this Act).

Subsection (e) of section 31322 clarifies the validity of preferred mortgages made under subsection (d). In the case of a State titled vessel covered by a preferred mortgage for which a new titling application is filed, the validity of the mortgage is governed by the law of the titling State in which the mortgage became preferred. In the case of a documented vessel covered by a preferred mortgage for which an application for a State title is filed, or a State titled vessel covered by a preferred mortgage for which an application for documentation is filed, the validity of the preferred mortgage is governed by section 31322(a) of title 46 (as enacted by this Act).

Information on vessels with preferred mortgages made under State law will be available to creditors

from the vessel identification system under chapter 125 of title 46 (as enacted by this Act).

Section 31323(a) requires the mortgagor to disclose any obligations on the vessel before executing a preferred mortgage. This subsection makes no substantive change to law.

Section 31323(b) provides that, after executing a preferred mortgage, the mortgagor may not incur, without consent of the mortgagee, any contractual obligations establishing a lien on the vessel—except a lien for stevedore wages, crew wages, general average, and salvage. The only substantive change to law made by this subsection is that the reasonable time to record a mortgage is changed to a reasonable time to file the mortgage, and the elimination of the reference to endorsements. These changes are in keeping with the changes made in section 31322.

Section 31323(c) provides that if a mortgagor is convicted of a violation of this section, then the mortgage indebtedness, at the option of the mortgagee, is payable immediately. This subsection makes no substantive change to law.
