

§ 1844. Political union between Territory of Guam and Commonwealth of Northern Mariana Islands

In the event that a political union is effected at a future time between the Territory of Guam and the Commonwealth of the Northern Mariana Islands, the Federal Government and each of its agencies is authorized and directed to assure that—

(i) there will be no diminution of any rights or entitlements otherwise eligible to said territory and Commonwealth in effect on the effective date of such union,

(ii) there will be no adverse effect on any funds which have been or may hereafter be authorized or appropriated for said territory or Commonwealth, as of the effective date of such union, or

(iii) no action is taken that would in any manner discourage such unification.

Whenever any discrepancy exists or arises between the benefits available for either said territory or Commonwealth under any policies or programs authorized by law (including, but not limited to, any formulas for matching grants-in-aid or comparable programs or benefits), the most favorable terms available to either said territory or Commonwealth shall be deemed applicable to said unified area after the effective date of unification.

§ 1845. Plans for development, utilization, and conservation of water and related land resources

(a) The Secretary of the Army, acting through the Chief of Engineers and in cooperation with the Commonwealth of the Northern Mariana Islands, is hereby authorized and directed to study and draft plans for development, utilization, and conservation of water and related land resources of the Commonwealth. To carry out the purposes of this section there are authorized to be appropriated effective October 1, 1983, such sums as may be necessary.

(b) Such studies shall include appropriate consideration of the needs for flood protection; wise use of flood plain lands; navigation facilities; hydroelectric power generation; regional water supply and waste water management facilities systems; general recreational facilities; enhancement and control of water quality; enhancement and conservation of fish and wildlife; and other measures for environment improvement and economic and human resources development. Such studies shall also be compatible with comprehensive development plans formulated by local planning agencies and other interested Federal agencies.
