§ 1113. Administrative

(a) GENERAL AUTHORITY.—(1) The National Transportation Safety Board, and when authorized by it, a member of the Board, an administrative law judge employed by or assigned to the Board, or an officer or employee designated by the Chairman of the Board, may conduct hearings to carry out this chapter, administer oaths, and require, by subpoena or otherwise, necessary witnesses and evidence.

(2) A witness or evidence in a hearing under paragraph (1) of this subsection may be summoned or required to be produced from any place in the United States to the designated place of the hearing. A witness summoned under this subsection is entitled to the same fee and mileage the witness would have been paid in a court of the United States.

(3) A subpoena shall be issued under the signature of the Chairman or the Chairman's delegate but may be served by any person designated by the Chairman.

(4) If a person disobeys a subpoena, order, or inspection notice of the Board, the Board may bring a civil action in a district court of the United States to enforce the subpoena, order, or notice. An action under this paragraph may be brought in the judicial district in which the person against whom the action is brought resides, is found, or does business. The court may punish a failure to obey an order of the court to comply with the subpoena, order, or notice as a contempt of court.

(b) ADDITIONAL POWERS.—(1) The Board may—

(A) procure the temporary or intermittent services of experts or consultants under section 3109 of title 5;

(B) make agreements and other transactions necessary to carry out this chapter without regard to section 6101(b) to (d) of title 41;

(C) use, when appropriate, available services, equipment, personnel, and facilities of a department, agency, or instrumentality of the United States Government on a reimbursable or other basis;

(D) confer with employees and use services, records, and facilities of State and local governmental authorities;

(I) negotiate and enter into agreements with individuals and private entities and departments, agencies, and instrumentalities of the Government, State and local governments, and governments of foreign countries for the provision of facilities, accident-related and technical services or training in accident investigation theory and techniques, and require that such entities provide appropriate consideration for the reasonable costs of any facilities, goods, services, or training provided by the Board.

(2) The Board shall deposit in the Treasury amounts received under paragraph (1)(I) of this subsection to be credited as offsetting collections to the appropriation of the Board. The Board shall maintain an annual record of collections received under paragraph (1)(I) of this subsection.

(c) SUBMISSION OF CERTAIN COPIES TO CONGRESS.—When the Board submits to the President or the Director of the Office of Manage-

ment and Budget a budget estimate, budget request, supplemental budget estimate, other budget information, a legislative recommendation, prepared testimony for congressional hearings, or comments on legislation, the Board must submit a copy to Congress at the same time. An officer, department, agency, or instrumentality of the Government may not require the Board to submit the estimate, request, information, recommendation, testimony, or comments to another officer, department, agency, or instrumentality of the Government for approval, comment, or review before being submitted to Congress. The Board shall develop and approve a process for the Board's review and comment or approval of documents submitted to the President, Director of the Office of Management and Budget, or Congress under this subsection.

(d) LIAISON COMMITTEES.—The Chairman may determine the number of committees that are appropriate to maintain effective liaison with other departments, agencies, and instrumentalities of the Government, State and local governmental authorities, and independent standard-setting authorities that carry out programs and activities related to transportation safety. The Board may designate representatives to serve on or assist those committees.

(e) INQUIRIES.—The Board, or an officer or employee of the Board designated by the Chairman, may conduct an inquiry to obtain information related to transportation safety after publishing notice of the inquiry in the Federal Register. The Board or designated officer or employee may require by order a department, agency, or instrumentality of the Government, a State or local governmental authority, or a person transporting individuals or property in commerce to submit to the Board a written report and answers to requests and questions related to a duty or power of the Board. The Board may prescribe the time within which the report and answers must be given to the Board or to the designated officer or employee. Copies of the report and answers shall be made available for public inspection.

(f) REGULATIONS.—The Board may prescribe regulations to carry out this chapter.

(g) OVERTIME PAY.—

(1) IN GENERAL.—Subject to the requirements of this section and notwithstanding paragraphs (1) and (2) of section 5542(a) of title 5, for an employee of the Board whose basic pay is at a rate which equals or exceeds the minimum rate of basic pay for GS-10 of the General Schedule, the Board may establish an overtime hourly rate of pay for the employee with respect to work performed at the scene of an accident (including travel to or from the scene) and other work that is critical to an accident investigation in an amount equal to one and one-half times the hourly rate of basic pay of the employee. All of such amount shall be considered to be premium pay.

(2) LIMITATION ON OVERTIME PAY TO AN EMPLOYEE.—An employee of the Board may not receive overtime pay under paragraph (1), for work performed in a calendar year, in an amount that exceeds 15 percent of the annual rate of basic pay of the employee for such calendar year.

(h) INVESTIGATIVE OFFICERS.—The Board shall maintain at least 1 full-time employee in each State located more than 1,000 miles from the nearest Board regional office to provide initial investigative response to accidents the Board is empowered to investigate under this chapter that occur in that State.

In subsection (a)(1), the words “sit and act at such times and places” are omitted as unnecessary. The word “necessary” is substituted for “as the Board or

such officer or employee deems advisable” because it is more accurate.

In subsection (a)(2), the words “the witness would have been” are added for clarity and consistency in the revised title and with other titles of the United States Code.

In subsection (a)(4), the words “If a person disobeys” are substituted for “In case of contumacy or refusal to obey” for consistency in the revised title and with other titles of the Code. The words “of the Board” are substituted for “of the Board, or of any duly designated employee thereof” to eliminate unnecessary words. The words “the Board may bring a civil action in a district court of the United States” are substituted for “such district court shall, upon the request of the Board, have jurisdiction” for consistency in the revised title and because of 28:1331. The word “forthwith” is omitted as surplus. The words “An action under this paragraph may be brought in the judicial district” are added for clarity.

In subsection (b)(1)(A), the text of 49 App.:1441(b) (words before semicolon) is omitted as superseded by 49 App.:1903(b)(6)(C).

In subsection (b)(1)(B), the words “make agreements and other transactions” are substituted for “enter into . . . such contracts, leases, cooperative agreements, or other transactions” to eliminate unnecessary words. The words “to carry out this chapter” are substituted for “in the conduct of the functions and the duties of the Board under this chapter” for consistency. The words “with any government entity or any person” are omitted as surplus.

In subsection (b)(1)(C), the words “Department of Transportation and of other” are omitted as surplus. The words “department, agency, or instrumentality of the United States Government” are substituted for “civilian or military agencies and instrumentalities of the Federal Government” in 49 App.:1903(b)(6)(A) for consistency in the revised title and with other titles of the Code. The text of 49 App.:1441(b) (words after semicolon) is omitted as superseded by 49 App.:1903(b)(6)(A).

In subsection (b)(1)(D), the word “available” is omitted as surplus.

In subsection (b)(1)(E), the words “one or more” are omitted as surplus because the authority to appoint advisory committees is discretionary and unlimited on its face. The word “appropriate” is substituted for “necessary or appropriate” to eliminate unnecessary words. The words “in accordance with the Federal Advisory Committee Act” are omitted as surplus because that Act applies unless specifically excluded. (See 5 App. U.S.C.)

In subsection (b)(1)(G), the words “gifts of money and other property” are substituted for “gifts or donations of money or property (real, personal, mixed, tangible, or intangible)” to eliminate unnecessary words.

In subsection (b)(1)(H), the words “public or private” are omitted as surplus.

Subsection (b)(2) is substituted for “and to apply the funds received to the Board’s appropriations” for clarity and consistency in the revised title and with other titles of the Code.

In subsection (c), the word “submits” is substituted for “submits or transmits” for consistency. The words “Director of the Office of Management and Budget” are substituted for “Office of Management and Budget” because of 31:502(a).

In subsection (d), the word “appropriate” is substituted for “necessary or appropriate” to eliminate unnecessary words.

In subsection (e), the words “officer or employee” are substituted for “employee” for consistency in the revised title. The words “by order” are substituted for “by special or general orders” to eliminate unnecessary words. The word “individuals” is substituted for “people” for consistency in the revised title.
