#### § 31149. Medical program

- (a) MEDICAL REVIEW BOARD.—
- (1) ESTABLISHMENT AND FUNCTION.—The Secretary of Transportation shall establish a Medical Review Board to provide the Federal Motor Carrier Safety Administration with medical advice and recommendations on medical standards and guidelines for the physical qualifications of operators of commercial motor vehicles, medical examiner education, and medical research.
- (2) COMPOSITION.—The Medical Review Board shall be appointed by the Secretary and shall consist of 5 members selected from medical institutions and private practice. The membership shall reflect expertise in a variety of medical specialties relevant to the driver fitness requirements of the Federal Motor Carrier Safety Administration.
- (b) CHIEF MEDICAL EXAMINER.—The Secretary shall appoint a chief medical examiner who shall be an employee of the Federal Motor Carrier Safety Administration and who shall hold a position under section 3104 of title 5, United States Code, relating to employment of specially qualified scientific and professional personnel, and shall be paid under section 5376 of title 5, United States Code, relating to pay for certain senior-level positions.
  - (c) MEDICAL STANDARDS AND REQUIREMENTS.—
  - (1) IN GENERAL.—The Secretary, with the advice of the Medical Review Board and the chief medical examiner, shall—
    - (A) establish, review, and revise—
    - (i) medical standards for operators of commercial motor vehicles that will ensure that the physical condition of operators of commercial motor vehicles is adequate to enable them to operate the vehicles safely; and
    - (ii) requirements for periodic physical examinations of such operators performed by medical examiners who have, at a minimum, self-certified that they have completed training in physical and medical examination standards and are listed on a national registry maintained by the Department of Transportation;
    - (B) require each such operator to have a current valid medical certificate;
    - (C) conduct periodic reviews of a select number of medical examiners on the national registry to ensure that proper examinations of such operators are being conducted:
    - (D) develop, as appropriate, specific courses and materials for medical examiners listed in the national registry established under this section, and require those medical examiners to, at a minimum, self-certify

- that they have completed specific training, including refresher courses, to be listed in the registry:
- (E) require medical examiners to transmit the name of the applicant and numerical identifier, as determined by the Administrator of the Federal Motor Carrier Safety Administration, for any completed medical examination report required under section 391.43 of title 49, Code of Federal Regulations, electronically to the chief medical examiner on monthly basis; and
- (F) periodically review a representative sample of the medical examination reports associated with the name and numerical identifiers of applicants transmitted under subparagraph (E) for errors, omissions, or other indications of improper certification.
- (2) Monitoring performance.—The Secretary shall investigate patterns of errors or improper certification by a medical examiner. If the Secretary finds that a medical examiner has issued a medical certificate to an operator of a commercial motor vehicle who fails to meet the applicable standards at the time of the examination or that a medical examiner has falsely claimed to have completed training in physical and medical examination standards as required by this section, the Secretary may remove such medical examiner from the registry and may void the medical certificate of the applicant or holder.
- (d) NATIONAL REGISTRY OF MEDICAL EXAMINERS.—The Secretary, acting through the Federal Motor Carrier Safety Administration—
- (1) shall establish and maintain a current national registry of medical examiners who are qualified to perform examinations and issue medical certificates;
- (2) shall remove from the registry the name of any medical examiner that fails to meet or maintain the qualifications established by the Secretary for being listed in the registry or otherwise does not meet the requirements of this section or regulation issued under this section:
- (3) shall accept as valid only medical certificates issued by persons on the national registry of medical examiners; and
- (4) may make participation of medical examiners in the national registry voluntary if such a change will enhance the safety of operators of commercial motor vehicles.
- (e) REGULATIONS.—The Secretary shall issue such regulations as may be necessary to carry out this section.

# § 31150. Safety performance history screening

- (a) IN GENERAL.—The Secretary of Transportation shall provide persons conducting preemployment screening services for the motor carrier industry electronic access to the following reports contained in the Motor Carrier Management Information System:
  - (1) Commercial motor vehicle accident reports.
  - (2) Inspection reports that contain no driverrelated safety violations.
  - (3) Serious driver-related safety violation inspection reports.
- (b) CONDITIONS ON PROVIDING ACCESS.—Before providing a person access to the Motor Carrier Management Information System under subsection (a), the Secretary shall—
  - (1) ensure that any information that is released to such person will be in accordance with the Fair Credit Reporting Act (15 U.S.C. 1681 et seq.) and all other applicable Federal law:
  - (2) ensure that such person will not conduct a screening without the operator-applicant's written consent:
  - (3) ensure that any information that is released to such person will not be released to any person or entity, other than the motor carrier requesting the screening services or the operator-applicant, unless expressly authorized or required by law; and
  - (4) provide a procedure for the operator-applicant to correct inaccurate information in the System in a timely manner.
- (c) DESIGN.—The process for providing access to the Motor Carrier Management Information System under subsection (a) shall be designed to assist the motor carrier industry in assessing an individual operator's crash and serious safety violation inspection history as a preemployment condition. Use of the process shall not be mandatory and may only be used during the preemployment assessment of an operator-applicant.
- (d) SERIOUS DRIVER-RELATED SAFETY VIOLATION DEFINED.—In this section, the term "serious driver-related violation" means a violation by an operator of a commercial motor vehicle that the Secretary determines will result in the operator being prohibited from continuing to operate a commercial motor vehicle until the violation is corrected.

## §31151. Roadability

- (a) INSPECTION, REPAIR, AND MAINTENANCE OF INTERMODAL EQUIPMENT.—
  - (1) IN GENERAL.—Not later than 1 year after the date of enactment of this section, the Secretary of Transportation, after providing notice and opportunity for comment, shall issue regulations establishing a program to ensure that intermodal equipment used to transport intermodal containers is safe and systematically maintained.
  - (2) INTERMODAL EQUIPMENT SAFETY REGULATIONS.—The Secretary shall issue the regulations under this section as a subpart of the Federal motor carrier safety regulations.
  - (3) CONTENTS.—The regulations issued under this section shall include, at a minimum—
  - (A) a requirement to identify intermodal equipment providers responsible for the inspection and maintenance of intermodal equipment that is interchanged or intended for interchange to motor carriers in intermodal transportation;
  - (B) a requirement to match intermodal equipment readily to an intermodal equipment provider through a unique identifying number:
  - (C) a requirement that an intermodal equipment provider identified under subparagraph (A) systematically inspect, repair, and maintain, or cause to be systematically inspected, repaired, and maintained, intermodal equipment described in subparagraph (A) that is intended for interchange with a motor carrier;
  - (D) a requirement to ensure that each intermodal equipment provider identified under subparagraph (A) maintains a system of maintenance and repair records for such equipment;

(E) requirements that—

- (i) a specific list of intermodal equipment components or items be identified for the visual or audible inspection of which a driver is responsible before operating the equipment over the road; and
- (ii) the inspection under clause (i) be conducted as part of the Federal requirement in effect on the date of enactment of this section that a driver be satisfied that the intermodal equipment components are in good working order before the equipment is operated over the road;
- (F) a requirement that a facility at which an intermodal equipment provider regularly makes intermodal equipment available for interchange have an operational process and space readily available for a motor carrier to have an equipment defect identified pursuant to subparagraph (E) repaired or the equipment replaced prior to departure;
- (G) a program for the evaluation and audit of compliance by intermodal equipment providers with applicable Federal motor carrier safety regulations;
- (H) a civil penalty structure consistent with section 521(b) of title 49, United States Code, for intermodal equipment providers that fail to attain satisfactory compliance with applicable Federal motor carrier safety regulations; and
