CONGRESSIONAL FINDINGS AND PURPOSE

Section 2 of Pub. L. 95-437 provided that:

“(a) The Congress finds that—

“(2) part-time permanent employment—

“(A) provides older individuals with a gradual transition into retirement;

“(B) provides employment opportunities to handicapped individuals or others who require a reduced workweek;

“(C) provides parents opportunities to balance family responsibilities with the need for additional income;

“(D) benefits students who must finance their own education or vocational training;

“(E) benefits the Government, as an employer, by increasing productivity and job satisfaction, while lowering turnover rates and absenteeism, offering management more flexibility in meeting work requirements, and filling shortages in various occupations; and

“(F) benefits society by offering a needed alternative for those individuals who require or prefer shorter hours (despite the reduced income), thus increasing jobs available to reduce unemployment while retaining the skills of individuals who have training and experience.

“(b) The purpose of this Act [enacting this chapter, amending sections 8347, 8716, 8906, and 8913 of this title, and enacting provisions set out as notes under this section and sections 3407 and 8906 of this title] is to provide increased part-time career employment opportunities throughout the Federal Government.”
