SECTION 1. *Mass Transportation and Vanpool Transportation Fringe Benefit Program.* (a) By no later than Octo-

ber 1, 2000, Federal agencies shall implement a transportation fringe benefit program that offers qualified Federal employees the option to exclude from taxable wages and compensation, consistent with section 132 of title 26, United States Code, employee commuting costs incurred through the use of mass transportation and vanpools, not to exceed the maximum level allowed by law (26 U.S.C. 132 (f)(2)). These agency programs shall comply with the requirements of Internal Revenue Service regulations for qualified transportation fringe benefits under section 1.132-9 of title 26, Code of Federal Regulations, and other guidance.

(b) Federal agencies are encouraged to use any non-monetary incentive that the agencies may otherwise offer under any other provision of law or other authority to encourage mass transportation and vanpool use, as provided for in section 7905(b)(2)(C) of title 5, United States Code.

SEC. 2. *Federal Agencies in the National Capital Region.* Federal agencies in the National Capital Region shall implement a “transit pass” transportation fringe benefit program for their qualified Federal employees by no later than October 1, 2000. Under this program, agencies shall provide their qualified Federal employees, in addition to current compensation, transit passes as defined in section 132(f)(5) of title 26, United States Code, in amounts approximately equal to employee commuting costs, not to exceed the maximum level allowed by law (26 U.S.C. 132(f)(2)). Before determining whether the program should be extended to other Federal employees nationwide, it shall be analyzed by an entity determined by the agencies identified in section 4 of this order to ascertain, among other things, if it is effective in reducing single occupancy vehicle travel and local area traffic congestion.

SEC. 4. *Guidance.* Federal agencies shall develop plans to implement this order in consultation with the Department of the Treasury, the Department of Transportation, the Environmental Protection Agency, the Office of Personnel Management, the General Services Administration, and the Office of Management and Budget. Federal agencies that currently have more generous programs or benefits in place may continue to offer those programs or benefits. Agencies shall absorb the costs of implementing this order within the sums received pursuant to the President’s FY 2001 budget request to the Congress.
