§ 321. The National Infrastructure Simulation and Analysis Center

(a) Definition

In this section, the term “National Infrastructure Simulation and Analysis Center” means the National Infrastructure Simulation and Analysis Center established under section 5195c(d) of title 42.

(b) Authority

(1) In general

There is in the Department the National Infrastructure Simulation and Analysis Center which shall serve as a source of national expertise to address critical infrastructure protection and continuity through support for activities related to—

(A) counterterrorism, threat assessment, and risk mitigation; and

(B) a natural disaster, act of terrorism, or other man-made disaster.

(2) Infrastructure modeling

(A) Particular support

The support provided under paragraph (1) shall include modeling, simulation, and analysis of the systems and assets comprising critical infrastructure, in order to enhance preparedness, protection, response, recovery, and mitigation activities.

(B) Relationship with other agencies

Each Federal agency and department with critical infrastructure responsibilities under Homeland Security Presidential Directive 7, or any successor to such directive, shall establish a formal relationship, including an agreement regarding information sharing, between the elements of such agency or department and the National Infrastructure Simulation and Analysis Center, through the Department.

(C) Purpose

(i) In general

The purpose of the relationship under subparagraph (B) shall be to permit each Federal agency and department described in subparagraph (B) to take full advantage of the capabilities of the National Infrastructure Simulation and Analysis Center (particularly vulnerability and consequence analysis), consistent with its work load capacity and priorities, for real-time response to reported and projected natural disasters, acts of terrorism, and other man-made disasters.

(ii) Recipient of certain support

Modeling, simulation, and analysis provided under this subsection shall be provided to relevant Federal agencies and departments, including Federal agencies and departments with critical infrastructure responsibilities under Homeland Security Presidential Directive 7, or any successor to such directive.

PRIOR PROVISIONS

A prior section 321, Pub. L. 107-296, title V, § 510, as added Pub. L. 108-458, title VII, § 7303(d), Dec. 17, 2004, 118 Stat. 3844, related to urban and other high risk area communications capabilities, prior to repeal by Pub. L. 109-295, title VI, § 611(5), Oct. 4, 2006, 120 Stat. 1395.

§ 321a. Evacuation plans and exercises

(a) In general

Notwithstanding any other provision of law, and subject to subsection (d), grants made to States or local or tribal governments by the Department through the State Homeland Security Grant Program or the Urban Area Security Initiative may be used to—

(1) establish programs for the development and maintenance of mass evacuation plans under subsection (b) in the event of a natural disaster, act of terrorism, or other man-made disaster;

(2) prepare for the execution of such plans, including the development of evacuation

routes and the purchase and stockpiling of necessary supplies and shelters; and

(3) conduct exercises of such plans.

(b) Plan development

In developing the mass evacuation plans authorized under subsection (a), each State, local, or tribal government shall, to the maximum extent practicable—

(1) establish incident command and decision making processes;

(2) ensure that State, local, and tribal government plans, including evacuation routes, are coordinated and integrated;

(3) identify primary and alternative evacuation routes and methods to increase evacuation capabilities along such routes such as conversion of two-way traffic to one-way evacuation routes;

(4) identify evacuation transportation modes and capabilities, including the use of mass and public transit capabilities, and coordinating and integrating evacuation plans for all populations including for those individuals located in hospitals, nursing homes, and other institutional living facilities;

(5) develop procedures for informing the public of evacuation plans before and during an evacuation, including individuals—

(A) with disabilities or other special needs, including the elderly;

(B) with limited English proficiency; or

(C) who might otherwise have difficulty in obtaining such information; and

(6) identify shelter locations and capabilities.

(c) Assistance

(1) In general

The Administrator may establish any guidelines, standards, or requirements determined appropriate to administer this section and to ensure effective mass evacuation planning for State, local, and tribal areas.

(2) Requested assistance

The Administrator shall make assistance available upon request of a State, local, or tribal government to assist hospitals, nursing homes, and other institutions that house individuals with special needs to establish, maintain, and exercise mass evacuation plans that are coordinated and integrated into the plans developed by that State, local, or tribal government under this section.

(d) Multipurpose funds

Nothing in this section may be construed to preclude a State, local, or tribal government from using grant funds in a manner that enhances preparedness for a natural or man-made disaster unrelated to an act of terrorism, if such use assists such government in building capabilities for terrorism preparedness.

AMENDMENTS

2007—Subsec. (b)(5)(A). Pub. L. 110-53 inserted “, including the elderly” after “needs”.

CHANGE OF NAME

Any reference to the Administrator of the Federal Emergency Management Agency in title VI of Pub. L. 109-295 or an amendment by title VI to be considered to refer and apply to the Director of the Federal Emergency Management Agency until Mar. 31, 2007, see section 612(f)(2) of Pub. L. 109-295, set out as a note under section 313 of this title.

§ 321b. Disability Coordinator

(a) In general

After consultation with organizations representing individuals with disabilities, the National Council on Disabilities, and the Interagency Coordinating Council on Preparedness and Individuals with Disabilities, established under Executive Order No. 13347, the Administrator shall appoint a Disability Coordinator. The Disability Coordinator shall report directly to the Administrator, in order to ensure that the needs of individuals with disabilities are being properly addressed in emergency preparedness and disaster relief.

(b) Responsibilities

The Disability Coordinator shall be responsible for—

(1) providing guidance and coordination on matters related to individuals with disabilities in emergency planning requirements and relief efforts in the event of a natural disaster, act of terrorism, or other man-made disaster;

(2) interacting with the staff of the Agency, the National Council on Disabilities, the Interagency Coordinating Council on Preparedness and Individuals with Disabilities established under Executive Order No. 13347, other agencies of the Federal Government, and State, local, and tribal government authorities regarding the needs of individuals with disabilities in emergency planning requirements and relief efforts in the event of a natural disaster, act of terrorism, or other man-made disaster;

(3) consulting with organizations that represent the interests and rights of individuals with disabilities about the needs of individuals with disabilities in emergency planning requirements and relief efforts in the event of a natural disaster, act of terrorism, or other man-made disaster;

(4) ensuring the coordination and dissemination of best practices and model evacuation plans for individuals with disabilities;

(5) ensuring the development of training materials and a curriculum for training of emergency response providers, State, local, and tribal government officials, and others on the needs of individuals with disabilities;

(6) promoting the accessibility of telephone hotlines and websites regarding emergency preparedness, evacuations, and disaster relief;

(7) working to ensure that video programming distributors, including broadcasters, cable operators, and satellite television services, make emergency information accessible to individuals with hearing and vision disabilities;

(8) ensuring the availability of accessible transportation options for individuals with disabilities in the event of an evacuation;
