

Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

**§ 7712a. Reduction in backlog of agricultural export petitions**

**(a) Reduction efforts**

To the maximum extent practicable, the Secretary of Agriculture shall endeavor to reduce the backlog in the number of applications for permits for the export of United States agricultural commodities. In achieving such reduction, the Secretary shall not dilute or diminish existing personnel resources that are currently managing sanitary and phytosanitary issues for—

(1) United States agricultural commodities for which exportation is sought; and

(2) interdiction and control of pests and diseases, including for the evaluation of pest and disease concerns of foreign agricultural commodities for which importation is sought.

**(b) Report**

The Secretary of Agriculture shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate an annual report specifying, for the year covered by the report—

(1) the total number of applications processed to completion;

(2) the number of backlog applications processed to completion;

(3) the percentage of backlog applications processed to completion; and

(4) the number of backlog applications remaining.

CODIFICATION

Section was enacted as part of the Specialty Crops Competitiveness Act of 2004, and not as part of the Plant Protection Act which comprises this chapter.

**§ 7713. Notification and holding requirements upon arrival**

**(a) Duty of Secretary of the Treasury**

**(1) Notification**

The Secretary of the Treasury shall promptly notify the Secretary of Agriculture of the arrival of any plant, plant product, biological control organism, plant pest, or noxious weed at a port of entry.

**(2) Holding**

The Secretary of the Treasury shall hold a plant, plant product, biological control organism, plant pest, or noxious weed for which notification is made under paragraph (1) at the port of entry until the plant, plant product, biological control organism, plant pest, or noxious weed—

(A) is inspected and authorized for entry into or transit movement through the United States; or

(B) is otherwise released by the Secretary of Agriculture.

**(3) Exceptions**

Paragraphs (1) and (2) shall not apply to any plant, plant product, biological control orga-

nism, plant pest, or noxious weed that is imported from a country or region of a country designated by the Secretary of Agriculture, pursuant to regulations, as exempt from the requirements of such paragraphs.

**(b) Duty of responsible parties**

**(1) Notification**

The person responsible for any plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance required to have a permit under section 7711 or 7712 of this title shall provide the notification described in paragraph (3) as soon as possible after the arrival of the plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance at a port of entry and before the plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance is moved from the port of entry.

**(2) Submission**

The notification shall be provided to the Secretary, or, at the Secretary's direction, to the proper official of the State to which the plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance is destined, or both, as the Secretary may prescribe.

**(3) Elements of notification**

The notification shall consist of the following:

(A) The name and address of the consignee.

(B) The nature and quantity of the plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance proposed to be moved.

(C) The country and locality where the plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance was grown, produced, or located.

**(c) Prohibition on movement of items without authorization**

No person shall move from a port of entry or interstate any imported plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance unless the imported plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance—

(1) is inspected and authorized for entry into or transit movement through the United States; or

(2) is otherwise released by the Secretary.
