

cotton during the most recent 3 months for which data are available; and

(ii) the larger of—

(I) average exports of upland cotton during the preceding 6 marketing years; or

(II) cumulative exports of upland cotton plus outstanding export sales for the marketing year in which the quota is established.

(C) Limited global import quota

The term “limited global import quota” means a quantity of imports that is not subject to the over-quota tariff rate of a tariff-rate quota.

(2) Program

The President shall carry out an import quota program that provides that whenever the Secretary determines and announces that the average price of the base quality of upland cotton, as determined by the Secretary, in the designated spot markets for a month exceeded 130 percent of the average price of the quality of cotton in the markets for the preceding 36 months, notwithstanding any other provision of law, there shall immediately be in effect a limited global import quota subject to the following conditions:

(A) Quantity

The quantity of the quota shall be equal to 21 days of domestic mill consumption of upland cotton at the seasonally adjusted average rate of the most recent 3 months for which data are available or as estimated by the Secretary.

(B) Quantity if prior quota

If a quota has been established under this subsection during the preceding 12 months, the quantity of the quota next established under this subsection shall be the smaller of 21 days of domestic mill consumption calculated under subparagraph (A) or the quantity required to increase the supply to 130 percent of the demand.

(C) Preferential tariff treatment

The quantity under a limited global import quota shall be considered to be an in-quota quantity for purposes of—

- (i) section 2703(d) of title 19;
- (ii) section 3203 of title 19;
- (iii) section 2463(d) of title 19; and
- (iv) General Note 3(a)(iv) to the Harmonized Tariff Schedule.

(D) Quota entry period

When a quota is established under this subsection, cotton may be entered under the quota during the 90-day period beginning on the date the quota is established by the Secretary.

(3) No overlap

Notwithstanding paragraph (2), a quota period may not be established that overlaps an existing quota period or a special quota period established under subsection (a).

(c) Economic adjustment assistance to users of upland cotton

(1) In general

Subject to paragraph (2), the Secretary shall, on a monthly basis, provide economic adjustment assistance to domestic users of upland cotton in the form of payments for all documented use of that upland cotton during the previous monthly period regardless of the origin of the upland cotton.

(2) Value of assistance

(A) Beginning period

During the period beginning on August 1, 2008, and ending on July 31, 2012, the value of the assistance provided under paragraph (1) shall be 4 cents per pound.

(B) Subsequent period

Effective beginning on August 1, 2012, the value of the assistance provided under paragraph (1) shall be 3 cents per pound.

(3) Allowable purposes

Economic adjustment assistance under this subsection shall be made available only to domestic users of upland cotton that certify that the assistance shall be used only to acquire, construct, install, modernize, develop, convert, or expand land, plant, buildings, equipment, facilities, or machinery.

(4) Review or audit

The Secretary may conduct such review or audit of the records of a domestic user under this subsection as the Secretary determines necessary to carry out this subsection.

(5) Improper use of assistance

If the Secretary determines, after a review or audit of the records of the domestic user, that economic adjustment assistance under this subsection was not used for the purposes specified in paragraph (3), the domestic user shall be—

(A) liable to repay the assistance to the Secretary, plus interest, as determined by the Secretary; and

(B) ineligible to receive assistance under this subsection for a period of 1 year following the determination of the Secretary.

§ 8738. Special competitive provisions for extra long staple cotton

(a) Competitiveness program

Notwithstanding any other provision of law, during the period beginning on the date of en-

actment of this Act through July 31, 2013, the Secretary shall carry out a program—

(1) to maintain and expand the domestic use of extra long staple cotton produced in the United States;

(2) to increase exports of extra long staple cotton produced in the United States; and

(3) to ensure that extra long staple cotton produced in the United States remains competitive in world markets.

(b) Payments under program; trigger

Under the program, the Secretary shall make payments available under this section whenever—

(1) for a consecutive 4-week period, the world market price for the lowest priced competing growth of extra long staple cotton (adjusted to United States quality and location and for other factors affecting the competitiveness of such cotton), as determined by the Secretary, is below the prevailing United States price for a competing growth of extra long staple cotton; and

(2) the lowest priced competing growth of extra long staple cotton (adjusted to United States quality and location and for other factors affecting the competitiveness of such cotton), as determined by the Secretary, is less than 134 percent of the loan rate for extra long staple cotton.

(c) Eligible recipients

The Secretary shall make payments available under this section to domestic users of extra long staple cotton produced in the United States and exporters of extra long staple cotton produced in the United States that enter into an agreement with the Commodity Credit Corporation to participate in the program under this section.

(d) Payment amount

Payments under this section shall be based on the amount of the difference in the prices referred to in subsection (b)(1) during the fourth week of the consecutive 4-week period multiplied by the amount of documented purchases by domestic users and sales for export by exporters made in the week following such a consecutive 4-week period.

§ 8739. Availability of recourse loans for high moisture feed grains and seed cotton

(a) High moisture feed grains

(1) Definition of high moisture state

In this subsection, the term “high moisture state” means corn or grain sorghum having a

moisture content in excess of Commodity Credit Corporation standards for marketing assistance loans made by the Secretary under section 8731 of this title.

(2) Recourse loans available

For each of the 2008 through 2012 crops of corn and grain sorghum, the Secretary shall make available recourse loans, as determined by the Secretary, to producers on a farm that—

(A) normally harvest all or a portion of their crop of corn or grain sorghum in a high moisture state;

(B) present—

(i) certified scale tickets from an inspected, certified commercial scale, including a licensed warehouse, feedlot, feed mill, distillery, or other similar entity approved by the Secretary, pursuant to regulations issued by the Secretary; or

(ii) field or other physical measurements of the standing or stored crop in regions of the United States, as determined by the Secretary, that do not have certified commercial scales from which certified scale tickets may be obtained within reasonable proximity of harvest operation;

(C) certify that they were the owners of the feed grain at the time of delivery to, and that the quantity to be placed under loan under this subsection was in fact harvested on the farm and delivered to, a feedlot, feed mill, or commercial or on-farm high-moisture storage facility, or to a facility maintained by the users of corn and grain sorghum in a high moisture state; and

(D) comply with deadlines established by the Secretary for harvesting the corn or grain sorghum and submit applications for loans under this subsection within deadlines established by the Secretary.

(3) Eligibility of acquired feed grains

A loan under this subsection shall be made on a quantity of corn or grain sorghum of the same crop acquired by the producer equivalent to a quantity determined by multiplying—

(A) the acreage of the corn or grain sorghum in a high moisture state harvested on the producer’s farm; by

(B) the lower of the farm program payment yield used to make counter-cyclical payments under subchapter I or the actual yield on a field, as determined by the Secretary, that is similar to the field from which the corn or grain sorghum was obtained.

(b) Recourse loans available for seed cotton

For each of the 2008 through 2012 crops of upland cotton and extra long staple cotton, the Secretary shall make available recourse seed cotton loans, as determined by the Secretary, on any production.

(c) Repayment rates

Repayment of a recourse loan made under this section shall be at the loan rate established for the commodity by the Secretary, plus interest (determined in accordance with section 7283 of this title).
