

be imported into the United States under such conditions and in such quantities as to render or tend to render ineffective, or materially interfere with, the price-support program and other programs or operations undertaken by the Department of Agriculture with respect to cotton or products thereof; and

WHEREAS I find and declare that the important restrictions hereinafter proclaimed are shown by such investigation of the Tariff Commission to be necessary in order that the entry, or withdrawal from warehouse, for consumption of the said articles will not render or tend to render ineffective, or materially interfere with, the price-support program and other programs or operations undertaken by the Department of Agriculture with respect to cotton or products thereof;

NOW, THEREFORE, I, JOHN F. KENNEDY, President of the United States of America, acting under and by virtue of the authority vested in me by section 22 of the Agricultural Adjustment Act, as amended, do hereby proclaim that the total aggregate quantity of cotton products produced in any stage preceding the spinning into yarn, except cotton wastes, which may be entered, or withdrawn from warehouse, for consumption in any 12-month period, beginning September 11 in 1961 and in subsequent years shall not exceed 1,000 pounds, which permissible total quantity I find and declare to be proportionately not less than 50 per centum of the total quantity of such articles entered, or withdrawn from warehouse, for consumption during the representative period from January 1, 1940, to December 31, 1953, inclusive.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this 11th day of September in the year of our Lord nineteen hundred and sixty-one, and of the Independence of the United States of America the one hundred and eighty-sixth.

§ 627. Dairy forward pricing pilot program

(a) Pilot program required

Not later than 90 days after November 29, 1999, the Secretary of Agriculture shall establish a temporary pilot program under which milk producers and cooperatives are authorized to voluntarily enter into forward price contracts with milk handlers.

(b) Minimum milk price requirements

Payments made by milk handlers to milk producers and cooperatives, and prices received by milk producers and cooperatives, under the forward contracts shall be deemed to satisfy—

- (1) all regulated minimum milk price requirements of paragraphs (B) and (F) of subsection (5) of section 608c of this title; and
- (2) the requirement of paragraph (C) of such subsection regarding total payments by each handler.

(c) Milk covered by pilot program

(1) Covered milk

The pilot program shall apply only with respect to the marketing of federally regulated milk that—

- (A) is not classified as Class I milk or otherwise intended for fluid use; and
- (B) is in the current of interstate or foreign commerce or directly burdens, obstructs, or affects interstate or foreign commerce in federally regulated milk.

(2) Relation to Class I milk

To assist milk handlers in complying with the limitation in paragraph (1)(A) without having to segregate or otherwise individually track the source and disposition of milk, a milk handler may allocate milk receipts from producers, cooperatives, and other sources that are not subject to a forward contract to satisfy the handler's obligations with regard to Class I milk usage.

(d) Duration

The authority of the Secretary of Agriculture to carry out the pilot program shall terminate on December 31, 2004. No forward price contract entered into under the program may extend beyond that date.
