

(B) The amount of the deferment shall not exceed 50 percent of the total cost of a community or economic development project for which a deferment is provided under this subsection.

(C) The total amount of deferments under this subsection during each of the fiscal years 1990 through 1993 shall not exceed 3 percent of the total payments due during such fiscal year from all borrowers on direct and insured loans made under this chapter and shall not exceed 5 percent of such total payments due in each subsequent fiscal year.

(D) At the time of a deferment, the borrower shall make a payment to a cushion of credit account established and maintained pursuant to section 940c of this title in an amount equal to the amount of the payment deferred. The balance of such account shall not be reduced by the borrower below the level of the unpaid balance of the payment deferred. Subject to limitations established in annual appropriations Acts, such cushion of credit amounts and any other cushion of credit and advance payments of any borrower shall be included in the interest differential calculation under section 940c(b)(2)(A) of this title.

(4) The Secretary shall undertake all reasonable efforts to permit the full amount of deferments authorized by this subsection during each fiscal year.

(c) Deferment of payments on loans

(1) In general

The Secretary shall allow borrowers to defer payment of principal and interest on any direct loan made under this chapter to enable the borrower to make loans to residential, commercial, and industrial consumers—

(A) to conduct energy efficiency and use audits; and

(B) to install energy efficient measures or devices that reduce the demand on electric systems.

(2) Amount

The total amount of a deferment under this subsection shall not exceed the sum of the principal and interest on the loans made to a customer of the borrower, as determined by the Secretary.

(3) Term

The term of a deferment under this subsection shall not exceed 60 months.
