(a) One or more of the terms and conditions specified in subsection (7) of section 608c of this title.

(b) Terms and conditions requiring each manufacturer to have in inventory in his own possession on April 1 of each year a reserve supply of completed serum equivalent to not less than 40 per centum of his previous year's sales of all serum, except that any marketing agreement may provide that upon written application by a manufacturer filed before September 1 of the preceding year, the Secretary may fix another date between January 1 and May 1 on which such manufacturer shall have such inventory if the Secretary finds that such actions will tend to effectuate the purposes of section 851 of this title.
