scribe, all or any part of the acreage set aside or diverted from the production of a commodity for any crop year under this subchapter to be devoted to the production of any commodity (other than the commodities for which acreage is being set aside or diverted) for conversion into industrial hydrocarbons and blending with gasoline or other fossil fuels for use as motor or industrial fuel, if the Secretary determines that such production is desirable in order to provide an adequate supply of commodities for such purpose, is not likely to increase the cost of the price support programs, and will not adversely affect farm income.

(b)(1) During any year in which there is no set-aside or diversion of acreage under this subchapter, the Secretary may formulate and administer a program for the production, subject to such terms and conditions as the Secretary may prescribe, of commodities for conversion into industrial hydrocarbons and blending with gasoline or other fossil fuels for use as motor or industrial fuel, if the Secretary determines that such production is desirable in order to provide an adequate supply of commodities for such purpose, is not likely to increase the cost of the price support programs, and will not adversely affect farm income. Under the program, producers of wheat, feed grains, upland cotton, and rice shall be paid incentive payments to devote a portion of their acreage to the production of commodities for conversion into industrial hydrocarbons and blending with gasoline or other fossil fuels for use as motor or industrial fuel.

(2) The payments under this subsection shall be at such rate or rates as the Secretary determines to be fair and reasonable, taking into consideration the participation necessary to ensure an adequate supply of the agricultural commodities for conversion into industrial hydrocarbons and blending with gasoline or other fossil fuels for use as motor or industrial fuels.

(3) The Secretary may issue such regulations as the Secretary deems necessary to carry out the provisions of this subsection.

(4) There are authorized to be appropriated such sums as may be necessary to carry out the provisions of this subsection.

(5) The provisions of this subsection shall become effective October 1, 1978.

§ 1445i. Multiyear set-aside contracts for 1986 through 1990 crops of wheat, feed grains, upland cotton, and rice

Notwithstanding any other provision of law:

(1) The Secretary of Agriculture may enter into multiyear set-aside contracts for a period not to extend beyond the 1990 crops. Such contracts may be entered into only as a part of the programs in effect for the 1986 through 1990 crops of wheat, feed grains, upland cotton, and rice, and only producers participating in one or more of such programs shall be eligible to contract with the Secretary under this section. Producers agreeing to a multiyear set-aside agreement shall be required to devote the set-aside acreage to vegetative cover capable of maintaining itself through such period to provide soil protection, water quality enhancement, wildlife production, and natural beauty. Grazing of livestock under this section shall be prohibited, except in areas of a major disaster, as determined by the President, if the Secretary finds there is a need for such grazing as a result of such disaster. Producers entering into agreements under this section shall also agree to comply with all applicable State and local laws and regulations governing noxious weed control.

(2) The Secretary shall provide cost-sharing incentives to farm operators for the establishment of vegetative cover, whenever a multiyear set-aside contract is entered into under this section.

(3) The Secretary may issue such regulations as the Secretary determines necessary to carry out this section.

(4) The Secretary shall carry out the program authorized by this section through the Commodity Credit Corporation.

§ 1445j. Deficiency and land diversion payments

(a) Deficiency payments

(1) In general

If the Secretary establishes an acreage limitation program for any of the 1991 through 1997 crops of wheat, feed grains, upland cotton, or rice under this Act and determines that deficiency payments will likely be made for the commodity for the crop, the Secretary shall
