

(d) identify and facilitate rural economic opportunities associated with energy development, outdoor recreation, and other conservation related activities.

SEC. 5. *General Provisions.* (a) The heads of executive departments and agencies shall assist and provide information to the Council, consistent with applicable law, as may be necessary to carry out the functions of the Council. Each executive department and agency shall bear its own expense for participating in the Council.

(b) Nothing in this order shall be construed to impair or otherwise affect:

(i) authority granted by law to an executive department, agency, or the head thereof; or

(ii) functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.

(c) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.

(d) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

BARACK OBAMA.

§ 2204b-1. Rural development

(a) Congressional commitment

The Congress commits itself to a sound balance between rural and urban America. The Congress considers this balance so essential to the peace, prosperity, and welfare of all our citizens that the highest priority must be given to the revitalization and development of rural areas.

(b) Location of Federal facilities

Congress hereby directs the heads of all executive departments and agencies of the Government to establish and maintain departmental policies and procedures giving first priority to the location of new offices and other facilities in rural areas as defined in the private business enterprise exception in section 1926(a)(7)¹ of this title.

EFFECTIVE DATE OF 1980 AMENDMENT

Amendment by Pub. L. 96-355 effective Oct. 1, 1980, see section 10 of Pub. L. 96-355, set out as an Effective Date note under section 2204b of this title.

EXECUTIVE ORDER NO. 11797

Ex. Ord. No. 11797, July 31, 1974, 39 F.R. 27893, which delegated to the Secretary of Agriculture the President's authority to prepare and submit to Congress annual reports concerning the location of new Federal facilities in rural areas, was revoked by Ex. Ord. No. 12553, Feb. 25, 1986, 51 F.R. 7237.

§ 2204c. Water management for rural areas

(a) In general

The Secretary of Agriculture is authorized, directly or in coordination with any other Federal agency, entity, corporation, department, unit of State or local government, cooperative, confederation, individual, public or private organization, Indian tribe, or university, to—

(1) conduct research and demonstration projects;

(2) provide technical assistance and extension services;

(3) make grants, loans, and loan guarantees; and

(4) provide other forms of assistance, for the purpose of helping rural areas make better and more efficient use of water resources and to alleviate problems arising in such areas from droughts or lack of water.

(b) Activities

The Secretary is authorized to provide assistance under this section for the promotion or establishment of irrigation, watersheds, and other water management and drought management activities, including water transmission, application, and activation.

(c) Cooperation

In implementing this section, the Secretary—

(1) should address the general, special, and unique problems of water management existing in rural areas;

(2) may take action independently or in cooperation with Federal, State, public, or private entities and agencies; and

(3) shall cooperate with—

(A) cooperatives, public or private organizations, confederations, authorities, or other entities (including such entities that may be organized under multiple State agreements or compacts and entities created under State law) to carry out projects authorized under this section; and

(B) water, watershed, and sewer authorities, rural electric cooperatives, Federal agencies, and other State or local governments or agencies.

(d) Regulations

(1) The Secretary shall issue regulations to carry out this section.

(2) Such regulations shall—

(A) specify the terms and conditions that the entities described in subsections (a) and (c) of this section must meet in order to participate in programs carried out under this section;

(B) establish a procedure under which entities described in subsections (a) and (c) of this section may apply for assistance under this section; and

(C) foster cooperation between such entities and other Federal, State, or local agencies for the purposes of carrying out the provisions of this section.

(e) “University” defined

As used in this section, the term “university” means—

(1) a land grant university established under the Act of July 2, 1862 (known as the “First Morrill Act”; 12 Stat. 503, chapter 130; 7 U.S.C. 301 et seq.);

(2) a land grant university established under the Act of August 30, 1890 (known as the “Second Morrill Act”; 26 Stat. 419, chapter 841; 7 U.S.C. 321 et seq.);

(3) the Tuskegee Institute; and

(4) any other support research organization.

(f) Funding

(1) There are authorized to be appropriated each fiscal year such sums as are necessary to carry out this section.

(2) The Secretary is authorized to accept funds from non-Federal sources to carry out the activities authorized by this section.

(g) No waivers

Nothing in this section shall authorize the waiver of a cost-share requirement under a program established under any other provision of law.

§ 2204d. Encouragement of private contracting

(a) In general

For the purpose of promoting local job creation and private sector investment in rural communities, the Secretary of Agriculture is encouraged, where appropriate and feasible, to use private enterprise concerns located in rural areas, rather than government employees or government enterprises, to provide commercial activities or products to carry out the purposes of this title.¹

(b) Plan required

The Secretary shall develop and implement a plan that will result in increasing the use of contracts awarded to private firms by the Department of Agriculture, and maximizing the use of grant, loan, or other financial assistance made for the purpose of rural development to provide the goods and services purchased to carry out the purposes of this title.¹

§ 2204e. Office of Risk Assessment and Cost-Benefit Analysis

(a) Office of Risk Assessment and Cost-Benefit Analysis

The Secretary of Agriculture shall establish in the Department of Agriculture an Office of Risk Assessment and Cost-Benefit Analysis, which shall be under the direction of a Director appointed by the Secretary.

(b) Functions

The Director shall ensure that any regulatory analysis that is conducted under this section includes a risk assessment and cost-benefit analysis that is performed consistently and uses reasonably obtainable and sound scientific, technical, economic, and other data.

(1) In general

Effective six months after October 13, 1994, the Secretary of Agriculture shall publish in the Federal Register, for each proposed major regulation the primary purpose of which is to regulate issues of human health, human safety, or the environment that is promulgated by the Department after October 13, 1994, an analysis with as much specificity as practicable, of—

(A) the risk, including the effect of the risk, to human health, human safety, or the environment, and any combination thereof, addressed by the regulation, including, where applicable and practicable, the health
