

§ 2668. Omitted

CODIFICATION

Section, Pub. L. 92-419, title V, §508, Aug. 30, 1972, 86 Stat. 674, related to Secretary's authority to promulgate such regulations as might be necessary to carry out the provisions of this subchapter, prior to the general revision of this subchapter by Pub. L. 97-98, title XIV, §1444(a), Dec. 22, 1981, 95 Stat. 1322. See section 2667 of this title.

§ 2669. Pilot projects for production and marketing of industrial hydrocarbons and alcohols from agricultural commodities and forest products**(a) Formulation and execution of program**

The Secretary is authorized and directed to formulate and carry out a pilot program for the production and marketing of industrial hydrocarbons derived from agricultural commodities and forest products for the purpose of stabilizing and expanding the market for such commodities and products and expanding the Nation's supply of industrial hydrocarbons.

(b) Loan guarantees

The Secretary shall provide for four pilot projects for the production of industrial hydrocarbons and alcohols from agricultural commodities and forest products by guaranteeing loans, not to exceed \$15,000,000 per each such project, to public, private, or cooperative organizations organized for profit or nonprofit, or to individuals for a term not to exceed twenty years at a rate of interest agreed upon by the borrower and lender.

(c) Conditions

No loan may be guaranteed under this section unless (1) research indicates the total energy content of the products and byproducts to be manufactured by the loan applicant will exceed the total energy input from fossil fuels used in the manufacture of such products and byproducts, and (2) such other conditions as the Secretary deems appropriate to achieve the purposes of this section are met.

(d) Long-term contracts to supply agricultural commodities to loan recipients

In order to assure that the recipients of loans made under this section have a dependable supply of agricultural commodities at a stable price for use in the pilot projects provided for in this section, the Secretary is authorized to enter into long-term contracts, not exceeding five years, with the recipients of such loans. Such contracts shall guarantee the recipients of such loans a specified quantity of agricultural commodities annually at mutually agreed upon prices, but the agricultural commodities shall not be sold under any such contracts at less than the price support level prescribed for the commodity concerned unless the commodities are out of condition, unstorable, or sample-grade or lower, as prescribed in Department of Agriculture standards.

(e) Commodity Credit Corporation stocks as supply sources; outside purchases

The Secretary shall supply from Commodity Credit Corporation stocks or, to such extent or

in such amounts as are provided in appropriation Acts, purchase such quantities of agricultural commodities as may be necessary to comply with the terms of agreements entered into under this section.

(f) Commodity Credit Corporation

The provisions of this section shall be carried out through the Commodity Credit Corporation.

§ 2701. Congressional findings and declaration of policy

Eggs constitute one of the basic, natural foods in the diet. They are produced by many individual egg producers throughout the United States. Egg products, spent fowl, and products of spent fowl are derivatives of egg production. These products move in interstate and foreign commerce and those which do not move in such channels of commerce directly burden or affect interstate commerce of these products. The
