

EFFECTIVE DATE OF 1981 AMENDMENT

Amendment by Pub. L. 97-98 effective Dec. 22, 1981, see section 1801 of Pub. L. 97-98, set out as an Effective Date note under section 4301 of this title.

§ 3153. National Agricultural Science Award**(a) Establishment**

The Secretary shall establish the National Agricultural Science Award for research or advanced studies in the food and agricultural sciences, including the social sciences. Two such awards, one for each of the categories described in subsection (d) of this section, shall be made in each fiscal year.

(b) Amount and term

The awards shall not exceed \$50,000 per year for a period of not to exceed three years to support research or study by the recipient.

(c) Eligibility

The awards shall be open to persons in agricultural research, extension, teaching, or any combination thereof.

(d) Categories

Awards under this section shall be made in each fiscal year in two categories as follows:

- (1) to a scientist in recognition of outstanding contributions to the advancement of the food and agricultural sciences; and
- (2) to a research scientist in early career development or a graduate student, in recognition of demonstrated capability and promise of significant future achievement in the food and agricultural sciences.

(e) Nominating and selection committees

The Secretary may establish such nominating and selection committees, to consist of scientists and others, to receive nominations and make recommendations for awards under this section, as the Secretary deems appropriate.

EFFECTIVE DATE OF REPEAL

Repeal of this section and repeal of Pub. L. 110-234 by Pub. L. 110-246 effective May 22, 2008, the date of enactment of Pub. L. 110-234, see section 4 of Pub. L. 110-246, set out as an Effective Date note under section 8701 of this title.

§ 3155. Policy research centers**(a) In general**

Consistent with this section, the Secretary may make grants, competitive grants, and special research grants to, and enter into cooperative agreements and other contracting instruments with, policy research centers described in subsection (b) of this section to conduct research and education programs that are objective, operationally independent, and external to the Federal Government and that concern the effect of public policies and trade agreements on—

- (1) the farm and agricultural sectors (including commodities, livestock, dairy, and specialty crops);
- (2) the environment;
- (3) rural families, households, and economies; and
- (4) consumers, food, and nutrition.

(b) Eligible recipients

State agricultural experiment stations, colleges and universities, other research institutions and organizations (including the Food Agricultural Policy Research Institute, the Agricultural and Food Policy Center, the Rural Policy Research Institute, and the National Drought Mitigation Center), private organizations, corporations, and individuals shall be eligible to apply for funding under subsection (a) of this section.

(c) Activities

Under this section, funding may be provided for disciplinary and interdisciplinary research and education concerning policy research activities consistent with this section, including activities that—

- (1) quantify the implications of public policies and regulations;
- (2) develop theoretical and research methods;
- (3) collect, analyze, and disseminate data for policymakers, analysts, and individuals; and
- (4) develop programs to train analysts.

(d) Authorization of appropriations

There are authorized to be appropriated such sums as are necessary to carry out this section for each of fiscal years 1996 through 2012.

(Pub. L. 95-113, title XIV, §1419A, as added Pub. L. 104-127, title VIII, §807, Apr. 4, 1996, 110 Stat. 1162; amended Pub. L. 105-185, title II, §224, title III, §301(a)(3), June 23, 1998, 112 Stat. 540, 562; Pub. L. 107-171, title VII, §§7103, 7216, May 13,

EFFECTIVE DATE OF 2008 AMENDMENT

Amendment of this section and repeal of Pub. L. 110-234 by Pub. L. 110-246 effective May 22, 2008, the date of enactment of Pub. L. 110-234, see section 4 of Pub. L. 110-246, set out as an Effective Date note under section 8701 of this title.

§ 3156. Education grants to Alaska Native serving institutions and Native Hawaiian serving institutions

(a) Education grants program for Alaska Native serving institutions

(1) Grant authority

The Secretary of Agriculture may make competitive grants (or grants without regard to any requirement for competition) to Alaska Native serving institutions for the purpose of promoting and strengthening the ability of Alaska Native serving institutions to carry out education, applied research, and related community development programs.

(2) Use of grant funds

Grants made under this section shall be used—

(A) to support the activities of consortia of Alaska Native serving institutions to enhance educational equity for under represented students;

(B) to strengthen institutional educational capacities, including libraries, curriculum, faculty, scientific instrumentation, instruction delivery systems, and student recruitment and retention, in order to respond to identified State, regional, national, or international educational needs in the food and agriculture sciences;

(C) to attract and support undergraduate and graduate students from under rep-

resented groups in order to prepare them for careers related to the food, agricultural, and natural resource systems of the United States, beginning with the mentoring of students at the high school level including by village elders and continuing with the provision of financial support for students through their attainment of a doctoral degree; and

(D) to facilitate cooperative initiatives between two or more Alaska Native serving institutions, or between Alaska Native serving institutions and units of State government or the private sector, to maximize the development and use of resources, such as faculty, facilities, and equipment, to improve food and agricultural sciences teaching programs.

(3) Authorization of appropriations

There are authorized to be appropriated to make grants under this subsection \$10,000,000 in fiscal years 2001 through 2012.

(b) Education grants program for Native Hawaiian serving institutions

(1) Grant authority

The Secretary of Agriculture may make competitive grants (or grants without regard to any requirement for competition) to Native Hawaiian serving institutions for the purpose of promoting and strengthening the ability of Native Hawaiian serving institutions to carry out education, applied research, and related community development programs.

(2) Use of grant funds

Grants made under this section shall be used—

(A) to support the activities of consortia of Native Hawaiian serving institutions to enhance educational equity for under represented students, including permitting consortia to designate fiscal agents for the members of the consortia and to allocate among the members funds made available under this section;

(B) to strengthen institutional educational capacities, including libraries, curriculum, faculty, scientific instrumentation, instruction delivery systems, and student recruitment and retention, in order to respond to identified State, regional, national, or international educational needs in the food and agriculture sciences;

(C) to attract and support undergraduate and graduate students from under represented groups in order to prepare them for careers related to the food, agricultural, and natural resource systems of the United States, beginning with the mentoring of students at the high school level and continuing with the provision of financial support for students through their attainment of a doctoral degree; and

(D) to facilitate cooperative initiatives between two or more Native Hawaiian serving institutions, or between Native Hawaiian serving institutions and units of State government or the private sector, to maximize the development and use of resources, such as faculty, facilities, and equipment, to improve food and agricultural sciences teaching programs.
